#### **BACKGROUND/DISCUSSION**

The BAHR Committee invited Board staff to work with the institutions and community colleges to develop a proposal to replace the Enrollment Workload Adjustment process (described in Board Policy V.S.2) with an Outcomes-Based Funding (OBF) approach which might go into effect as part of the FY2018 annual budget request. An interdisciplinary team (consisting of financial and academic officers) from the colleges and universities has been formed, and early work is underway to determine approaches that might be used in developing an initial OBF request for the next Legislative session. Board staff will provide an overview of the preliminary work which has taken place to date.

The current Enrollment Workload Adjustment (EWA) process is relatively complex and has not always enjoyed full support by state policy makers during the annual appropriation process. Transitioning to an OBF system may provide a vehicle which may be better supported and understood by policy makers and participants, more closely linked to the Board's 60% goal, more effective as an incentive to encourage degree completion, and more acceptable to policy makers as a means of linking funding to performance.

#### **IMPACT**

The near-term objective of the OBF effort is to deploy a simple baseline proposal for FY2018 which, if approved by policy makers, could be refined to add additional dollars and incentives targeted at strategic programs and student groups in future budget years. This effort is still in the very early conceptual phase. The overview from staff will provide general information to the Board on efforts to date, and provide an opportunity for questions and discussion, if desired.

#### STAFF COMMENTS AND RECOMMENDATIONS

This agenda item will consist of an informational presentation by Board staff on the progress of the OBF planning team to apprise Board members of work to date and to facilitate discussion.

reading of amendment to Policy V.R. authorizing inservice teacher educator fees, online program fees and

established independent study fee.

#### APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.R.

#### **BACKGROUND/DISCUSSION**

The Business Affairs and Human Resources (BAHR) Committee and Financial Vice Presidents have been considering the mechanics and possible merits of "differential" and/or "cost-based" fees for several years. The institutions were polled to determine if there were any programs which might be presented as candidates as test beds for more flexible pricing approaches for the upcoming academic year (2016-2017). Boise State University (BSU) is the only respondent at this point, and has asked for permission to present two differential fee programs for consideration. The proposed fee programs do not meet all of the criteria currently listed for "professional fee" programs in Policy V.R.

Staff has prepared an amendment to V.R. which, if approved, would enable tests of expanded application of two specific types of differential fees to be tested, on a case-by-case basis, while avoiding waivers to current Board policy. Two trial scenarios which would be permitted under the amended policy include:

- Specific programs within the engineering disciplines which meet all other criteria established within Board policy for "Professional Fee" eligibility with the exception of credentialing and/or licensing being a requirement to practice the profession.
- "High cost" programs which, absent the flexibility to generate additional fees, are constrained from hiring and retaining the skilled faculty needed to deliver a top quality program.

#### **IMPACT**

The proposed policy amendments would increase the flexibility of the current professional fee criteria to permit trial runs with two programs which represent two

aspects of pricing considerations for professional programs (specialized professional training for which licensure is not mandatory, and high cost programs which require additional funding to sustain top quality). Under the more flexible criteria, the Board will continue to have approval authority over any proposals for professional fees, the earliest of which is not anticipated until the April 2016 Board meeting.

#### **ATTACHMENTS**

Attachment 1 – Section V.R. – 1st Reading

#### STAFF COMMENTS AND RECOMMENDATIONS

The proposed amendment would enable institutions to respond to the BAHR Committee's invitation to forward any particularly worthy new candidates for differential/cost-based fees to the Board for consideration at the April tuition and fee setting meeting. This approach preserves the Board's current prerogative to approve special fee requests on a case-by-case basis. Staff recommends approval.

#### **BOARD ACTION**

I move to approve the first reading of proposed amendments to Board policy Section V.R., Establishment of Fees, as presented in Attachment 1.

BAHR – SECTION II TAB 4 Page 2

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

## 1. Board Policy on Student Tuition and Fees

Consistent with the Statewide Plan for Higher Education in Idaho, the institutions shall maintain tuition and fees that provide for quality education and maintain access to educational programs for Idaho citizens. In setting fees, the Board will consider recommended fees as compared to fees at peer institutions, percent fee increases compared to inflationary factors, fees as a percent of per capita income and/or household income, and the share students pay of their education costs. Other criteria may be considered as is deemed appropriate at the time of a fee change. An institution cannot request more than a ten percent (10%) increase in the total full-time student fee unless otherwise authorized by the Board.

### 2. Tuition and Fee Setting Process – Board Approved Tuition and Fees

#### a. Initial Notice

A proposal to alter student tuition and fees covered by Subsection V.R.3. shall be formalized by initial notice of the chief executive officer of the institution at least six (6) weeks prior to the Board meeting at which a final decision is to be made.

Notice will consist of transmittal, in writing, to the student body president and to the recognized student newspaper during the months of publication of the proposal contained in the initial notice. The proposal will describe the amount of change, statement of purpose, and the amount of revenues to be collected.

The initial notice must include an invitation to the students to present oral or written testimony at the public hearing held by the institution to discuss the fee proposal. A record of the public hearing as well as a copy of the initial notice shall be made available to the Board.

#### b. Board Approval

This fee shall be applicable only to teacher education courses offered as teacher professional development. This fee is not intended for courses which count toward an institution's degree programs. Courses must be approved by the appropriate academic unit(s) at the institution. For purposes of this special fee only, "teacher" means any certificated staff (i.e. pupil services, instructional and administrative).

- a) The fee shall not exceed one-third of the part-time undergraduate credit hour fee or one-third of the graduate credit hour fee for Idaho teachers employed at an Idaho elementary or secondary school;

### ix. Transcription Fee

A fee may be charged for processing and transcripting credits. The fee shall be \$10.00 per credit for academic year 2014-15 only, and set annually by the Board thereafter. SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

An online program is one in which all courses are offered and delivered via distance learning modalities (e.g. campus-supported learning management system, videoconferencing, etc.); provided however, that limited on-campus meetings may be allowed if necessary for accreditation purposes or to ensure the program is pedagogically sound.

b) Nothing in this policy shall preclude pricing online programs at a market competitive rate which may be less or more than the current resident or nonresident per credit hour rates.

Each institution shall develop a detailed definition and allocation proposal for each activity for internal management purposes.

### iii. Technology Fee

Technology fee is defined as the fee charged for campus technology enhancements and operations directly related to services for student use and benefit (e.g., internet and web access, general computer facilities, electronic or online testing, and online media).

#### iv. Professional Fees

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

To designate a professional fee for a Board approved academic program, *all* of the following criteria must be met:

- a) Credential or Licensure Requirement:
  - 1) A professional fee may be charged for an academic professional program if graduates of the program obtain a specialized higher education degree that qualifies them to practice a professional service involving expert and specialized knowledge, including professional service— for which credentialing or licensing may beis required. For purposes of this fee, "academic" means a systematic, usually sequential, grouping of courses that provide the student with the knowledge and competencies required for a baccalaureate, master's, specialist or doctoral degree as defined in policy III.E.1.
  - 2) The program leads to a degree where the degree is which provides at least the minimum capabilities required for entry to the practice of a profession.
- b) Accreditation Requirement: The program:
  - 1) is accredited,
  - 2) is actively seeking accreditation if a new program, or
  - 3) will be actively seeking accreditation after the first full year of existence if a new program by a regional or specialized accrediting agency.
- c) Extraordinary Program Costs: Institutions will propose professional fees for Board approval based on the costs to deliver the program. An institution must provide clear and convincing documentation that the cost of <u>delivering</u> the professional program <u>at an appropriate level of instructional quality</u> significantly exceeds the cost to deliver non-professional programs at the institution. A reduction in appropriated funding in support of an existing program is not a sufficient basis alone upon which to make a claim of extraordinary program costs.
- d) The program may include support from appropriated funds.
- e) The program is consistent with traditional academic offerings of the institution serving a population that accesses the same activities, services, and features as regular full-time, tuition-paying students.
- f) Upon the approval and establishment of a professional fee, course fees associated with the same program shall be prohibited.
- g) Once a professional fee is initially approved by the Board, any subsequent increase in a professional fee shall require prior approval by the Board at the same meeting institutions submit proposals for tuition and fees.

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

## v. Self-Support Academic Program Fees

- a) Self-support programs are academic degrees or certificates for which students are charged program fees, in lieu of tuition. For purposes of this fee, "academic" means a systematic, usually sequential, grouping of courses that provide the student with the knowledge and competencies required for an academic certificate, baccalaureate, master's, specialist or doctoral degree. To bring a Self-support program fee to the Board for approval, the following criteria must be met:
  - 1) An institution shall follow the program approval guidelines set forth in policy III.G.
  - The Self-support program shall be a defined set of specific courses that once successfully completed result in the awarding of an academic certificate or degree.
  - 3) The Self-support program shall be distinct from the traditional offerings of the institution by serving a population that does not access the same activities, services and features as full-time, tuition paying students, such as programs designed specifically for working professionals, programs offered off-campus, or programs delivered completely online.
  - 4) No appropriated funds may be used in support of Self-support programs. Self-support program fee revenue shall cover all direct costs of the program. In addition, Self-support program fee revenue shall cover all indirect costs of the program within two years of program start-up.
  - 5) Self-support program fees shall be segregated, tracked and accounted for separately from all other programs of the institution.
- b) If a Self-support program fee is requested for a new program, an institution may fund program start-up costs with appropriated or local funds, but all such funding shall be repaid to the institution from program revenue within a period not to exceed three years from program start-up.
- c) Once a Self-support program fee is initially approved by the Board, any subsequent increase in a Self-support program fee shall require prior approval by the Board.
- d) Institutions shall review Self-support academic programs every three (3) years to ensure that program revenue is paying for all program costs, direct and indirect, and that no appropriated funds are supporting the program.

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

e) Students enrolled in self-support programs may take courses outside of the program so long as they pay the required tuition and fees for those courses.

#### vi. Contracts and Grants

Special fee arrangements are authorized by the Board for instructional programs provided by an institution pursuant to a grant or contract approved by the Board.

#### vii. Student Health Insurance Premiums or Room and Board Rates

Fees for student health insurance premiums paid either as part of the uniform student fee or separately by individual students, or charges for room and board at the dormitories or family housing units of the institutions. Changes in insurance premiums or room and board rates or family housing charges shall be approved by the Board no later than three (3) months prior to the semester the change is to become effective. The Board may delegate the approval of these premiums and rates to the chief executive officer.

#### viii. New Student Orientation Fee

This fee is defined as a mandatory fee charged to all first-time, full-time students who are registered and enrolled at an institution. The fee may only be used for costs of on-campus orientation programs such as materials, housing, food and student leader stipends, not otherwise covered in Board-approved tuition and fees.

#### ix. Dual Credit Fee

High school students who enroll in one or more dual credit courses delivered by high schools (including Idaho Digital Learning Academy), either face-to-face or online, are eligible to pay a reduced cost per credit which is approved at the Board's annual tuition and fee setting meeting. The term "dual credit" as used in this section is defined in Board Policy III.Y.

#### x. Summer Bridge Program Fee

This fee is defined as a fee charged to students recently graduated from high school, who are admitted into a summer bridge program at an institution the summer immediately following graduation from high school, and who will be enrolling in pre-determined college-level courses at the same institution the fall semester of the same year for the express purpose of acquiring knowledge and skills necessary to be successful in college. The bridge program fee shall be \$65 per credit for academic year 2014-15 only, and set annually by the Board thereafter.

#### xi. Independent Study in Idaho

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

A fee may be charged for courses offered through the Independent Study in Idaho (ISI) cooperative program. Complete degree programs shall not be offered through the ISI. Credits earned upon course completion shall transfer to any Idaho public college or university. The ISI program shall receive no appropriated or institutional funding, and shall operate alone on revenue generated through ISI student registration fees.

### c. Institutional Local Fees and Charges Approved by Chief Executive Officer

The following local fees and charges are charged to support specific activities and are only charged to students that engage in these particular activities. Local fees and charges are deposited into local institutional accounts or the unrestricted fund and shall only be expended for the purposes for which they were collected. All local fees or changes to such local fees are established and become effective in the amount and at the time specified by the chief executive officer or provost of the institution. The chief executive officer is responsible for reporting these local fees to the Board upon request.

### i. Continuing Education

Continuing education fee is defined as the additional fee to continuing education students which is charged on a per credit hour basis to support the costs of continuing education.

#### ii. Course Overload Fee

This fee may be charged to full-time students with excessive course loads as determined by each institution. Revenue from this fee is deposited in the unrestricted fund.

### iii. Special Course Fees

A special course fee is an additive fee on top of the standard per credit hour fee which may be charged to students enrolled in a specific course for materials and/or activities required for that course. Special course fees, or changes to such fees, are established and become effective in the amount and at the time specified by the chief executive officer or provost, and must be prominently posted so as to be readily accessible and transparent to students, along with other required course cost information. These fees shall be reported to the Board upon request.

a) Special course fees shall be directly related to academic programming. Likewise, special course fees for professional-technical courses shall be directly related to the skill or trade being taught.

SECTION: V. FINANCIAL AFFAIRS

SUBSECTION: R. Establishment of Fees December 2015 April 2016

- b) Special course fees may only be charged to cover the direct costs of the additional and necessary expenses that are unique to the course. This includes the costs for lab materials and supplies, specialized software, cost for distance and/or online delivery, and personnel costs for a lab manager. A special course fee shall not subsidize other courses, programs or institution operations.
- c) A special course fee shall not be used to pay a cost for which the institution would ordinarily budget including faculty, administrative support and supplies.
- d) Special course fees shall be separately accounted for and shall not be commingled with other funds; provided however, multiple course fees supporting a common special cost (e.g. language lab, science lab equipment, computer equipment/software, etc.) may be combined. The institution is responsible for managing these fees to ensure appropriate use (i.e. directly attributable to the associated courses) and that reserve balances are justified to ensure that fees charged are not excessive.
- e) The institution shall maintain a system of procedures and controls providing reasonable assurance that special course fees are properly approved and used in accordance with this policy, including an annual rolling review of one-third of the fees over a 3-year cycle.

### iv. Processing Fees, Permits and Fines

- a) Processing fees may be charged for the provision of academic products or services to students (e.g. undergraduate application fee, graduate application fee, program application fee, graduation/diploma fee, and transcripts). Fees for permits (e.g. parking permit) may also be charged.
- b) Fines may be charged for the infraction of an institution policy (e.g., late fee, late drop, library fine, parking fine, lost card, returned check, or stop payment).

All processing fees, permit fees and fines are established and become effective in the amount and at the time specified by the chief executive officer, and shall be reported to the Board upon request.

Purchase of City Center Office/Classroom Condo

#### REFERENCE

June 2014 The Idaho State Board of Education (Board)

approved City Center Lease/Purchase Agreement.

October 2015 The Board approved purchase of tenant

improvements.

## APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.I.2

#### **BACKGROUND/DISCUSSION**

In June 2014 the Board approved Boise State University's (BSU) Facility Lease and Purchase Agreement (Agreement) with Gardner Company (Gardner) for the City Center project wherein BSU's Computer Science (CS) program will share occupancy with industry partners including Clearwater Analytics. Placement of the CS program downtown will result in a premier academic experience and provide collaborative opportunities for both student and faculty research with multiple technology companies.

In October 2015 BSU requested and the Board approved Boise State's \$2.763 million acquisition of the facility's tenant improvements (TI). This action provided BSU reduced pricing as set forth in the First Amendment to the Agreement.

The Agreement provides for BSU's acquisition of the facility either by an initial payment equal to the negotiated purchase price, or by financing the acquisition through lease financing, where after 21 payments to Gardner BSU receives free and clear title to the facility, subject to the condominium association bylaws (see attached bylaws). BSU has evaluated the cost of each option and recommends proceeding with the purchase of the facility for the negotiated purchase price.

Amendment 3 to the Agreement provides the notice and terms for this acquisition. Following execution of the purchase the facility will be owned and operated by BSU, subject to the rules set forth in the condominium bylaws.

#### **IMPACT**

As detailed in the original Agreement and First Amendment, the reduced purchase price for the facility is \$6,422,667. This price is valid given the October 2015 Board approval to purchase the facility's tenant improvements.

BSU will use designated institutional reserves for this purchase; no new debt will be issued.

BSU has performed a financial analysis and highly recommends the immediate purchase of the City Center facility. The sum of all estimated lease finance payments is over \$14 million, with a present value of about \$10 million; therefore, the initial purchase price of \$6.423 million is advantageous to BSU. The cost avoidance of lease financing payments results in an internal rate of return of 8.4% based on our purchase price.

### AMENDED AND RESTATED DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR US BANK PLAZA CONDOMINIUMS

### ARTICLE I DECLARATION OF INTENT

KC GARDNER RIVERWOODS, L.C., ("Riverwoods"), a Utah limited liability company, and GARDNER PLAZA, LLC ("Plaza"), an Idaho limited liability company, together with their successors and assigns (collectively "Declarant"), make this Amended and Restated Declaration of Covenants, Conditions and Restrictions for US Bank Condominiums (as may be amended from time to time, the "Declaration"), which is further consented to by Valley Regional Transit, the regional public transportation authority organized under the laws of the state of Idaho for Ada and Canyon Counties ("VRT"), upon the basis of the following facts, understandings and intentions:

Section 1.1 Purpose for Amending and Restating Declaration. Riverwoods previously recorded the Plat Showing U.S. Bank Plaza Condominium on August 25, 2014, at Book 107 Pages 14862 through 14866, as Instrument No. 2014-069070, in the official records of Ada County, Idaho ("Original Parcel Map"), and also recorded the Master Declaration of Covenants, Conditions and Restrictions for U.S. Bank Plaza Condominium, recorded on August 25, 2014, as Instrument No. 2014-068941, in the official records of Ada County, Idaho ("Original Declaration"), which created two (2) condominium Units, identified as Unit A and Unit BB. Thereafter, Riverwoods conveyed Unit B to Plaza, retaining for itself Unit A. Riverwoods and Plaza now desire to amend and restate the Original Declaration, by amending it in its entirety (a) to annex into the US Bank Plaza Condominium certain subsurface parcels acquired by VRT from the Ada County Highway District ("ACHD") and the Capital City Development Corporation ("CCDC")("Subsurface Parcels"), for construction of transit facilities (as described below); (b) to reflect the further division of Units A and B into additional Units; and (c) to provide a Declaration for the entirety of the Project, as defined below.

Section 1.2 <u>Real Property; Project</u>. Riverwoods, Plaza, and VRT own all the real property subject to this Declaration, all of which is located in the City of Boise, Ada County,

BAHR - SECTION II TAB 5 Page 17

Idaho (the "Real Property"). The Real Property is more specifically described in Exhibits A-1, A-2, and A-3, attached hereto and incorporated herein. VRT has entered into a master development agreement with an affiliate of Riverwoods and Plaza ("Declarant's Affiliate") to construct a multimodal transit facility within a portion of the Real Property. Declarant's Affiliate is currently constructing for Riverwoods, Plaza, and VRT a mixed-use commercial condominium development which consists of the following elements: (a) Unit A, which presently consists of an existing twenty story office building, and subsurface parking structure ("US Bank Plaza"); (b) Units B1, B2, and B3, which will include a multimodal transit center consisting of a subsurface transit facility, a surface access area, and certain other access easements ("Multimodal Center"); (c) Units 1A, 1B, 1C, 1D, 1E, 2A, 3A, 4A, 5A, 6A, 7A, 8A, 9A, and 10A which will include a nine story building and new retail outbuilding, with various units designated for retail, meeting, and office use ("Clearwater Building"); and (d) Units 1F, 1G, 1H, 1J, 1K, 1L, 2B, 2C, 3B, 3C, 4B, and 5B, which will include storage, vertical circulation, commercial kitchen, ballroom and meeting space, structured parking and retail elements ("Centre Building"). Collectively, US Bank Plaza, the Multimodal Center, the Clearwater Building, and the Centre Building are the "Project" and are referred to collectively as "City Center Plaza." All improvements to the Real Property that are included within the Project are hereafter referred to as the "Improvements."

Section 1.3 <u>Declaration</u>. The Real Property is subject to this Declaration. The purpose of this Declaration is to ensure that the Real Property is developed, managed and maintained consistent with the goals and objectives of Declarant and to create separate Units. This Declaration will be recorded to ensure that each Owner of a Unit participates in the maintenance and operation of the Common Area located upon the Real Property as set forth herein.

Section 1.4 Intention of Declarant. Declarant intends, subject to this Declaration (i) to create a condominium which shall include various Units and Common Areas as provided for in Chapter 15 of Title 55, Idaho Code (the "Condominium Property Act"); (ii) to operate and develop the Units thus created; (iii) to afford Declarant the flexibility in developing the Project and determining how the Project will be developed, marketed and maintained; and (iv) to allocate obligations for the various unique elements of the Project to the Owners within the Project for their respective Units. The utility and enjoyment of each Unit is dependent upon the establishment of easements and covenants for the common and joint government of the Common Area, Improvements, Real Property, and Project in a manner beneficial to all of the Units, all components thereof and all interests therein. Accordingly, Declarant desires to establish and create easements, covenants and restrictions to provide for the use, management, government and operation of the Units, as integral parts of a single architectural entity and as part of a common plan for the joint use and occupancy of each and every part of the Project and interest therein.

Section 1.5 <u>Project Elements</u>. The Project consists of construction on the Real Property of a mixed-use development consisting of multiple buildings and facilities identified above as the US Bank Plaza, the Centre Building, the Clearwater Building, and the Multimodal Center. To facilitate the development of the Project as envisioned by

Declarant, it is necessary to further identify the unique treatment of certain elements of the Project, which will be set forth in more detail herein.

Section 1.5.1 The Original Declaration and Original Parcel Map were necessary to create a developable parcel upon which a significant portion of the Project would be developed. This Declaration and the Parcel Map, attached hereto as Exhibit D, amend and replace in their entirety the Original Declaration and the Original Parcel Map.

Section 1.5.2 Certain Units will be owned by VRT and comprise the Multimodal Center, which includes surface and subsurface Units, appurtenant Limited Common Areas, and appurtenant access easements comprising the transit facility that will be owned and operated by VRT upon completion of construction subject to the provisions of this Declaration ("VRT Units").

Section 1.5.3 For purposes of this Declaration, and any subordinate declarations recorded in the future, Common Areas shall include all surface areas that are generally open without building improvements, provided, however, that pursuant to this Declaration, the VRT Units shall have no allocated interest in any of the surface Common Areas created hereunder. If the VRT Units were to have any interest in any portion of the Common Areas hereunder, then the maintenance and operation of the Common Areas potentially would be subject to additional governmental oversight and requirements. Accordingly, to the extent possible, those Common Areas that are appurtenant to the VRT Units and necessarily exclusive to the use and enjoyment of the VRT Units, shall be designated as Limited Common Area.

Section 1.5.4 Declarant recognizes that this Declaration, may have significant amount of overlap in the responsibilities delegated to the Association and Owners with an interest in or obligation for Limited Common Areas. This has been purposefully done by Declarant to ensure that all elements of the Project are integrated and functional. It is the intention of Declarant in developing the Property in the manner that it has, that the maintenance, operation and management of the Common Areas, the Association, and any Sub-Associations be done in the most cost effective manner possible so that no Unit will be subject to duplicative costs or expenses and that the efficiencies of managing the Project as a whole will benefit the Owners of the various Units. The Association and Sub-Associations created by this Declaration, as set forth in Article VII and Article X, and any future Sub-Associations created by a subordinate declaration shall coordinate their duties and responsibilities under any such instrument to ensure that such coordination occurs in a cost effective manner. Specific provisions regarding the maintenance and operation of the Project, including the Common Areas, Limited Common Areas, and unique shared service facilities are described in more detail below.

The membership of the Association at all times shall consist exclusively of the Owners. Membership in the Association shall be mandatory. If the Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a particular Unit, it will thereafter be presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Unit, unless objection thereto is made by another Owner of that Unit to the Person presiding over the meeting at the time the vote is cast. If any or all Directors are so removed, new Directors shall be elected or appointed at the same meeting. Notwithstanding anything contrary herein, or in the Articles or the Bylaws, commencing as of the date of this Declaration and continuing for all time periods set forth herein, the number of Directors shall be adjusted from time to time during the Declarant Control Period so that Declarant shall always maintain the majority of the seats on the Board of Directors. The

total number of Directors serving on the Board of the Association shall be at least three (3), but shall be increased as necessary to provide for the number of Directors appointed by Large Unit Members while reserving to the Declarant the appointment of the majority of the Directors serving as members of the Board of Directors as set forth herein. The number of Directors serving as members on the Board of Directors shall be established as follows: the total number of Directors being the number of Large Unit Members multiplied by two plus one [(2 x Large Unit Members) +1]. ## ARTICLE VIII CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

Section 8.1 The Management Body. The Association is hereby designated to be the "Management Body" as provided in Sections 55-1503 and 55-1506 of the Condominium Property Act and shall administer the Project in accordance with the Condominium Property Act and the provisions of the Association Documents. The Association shall have the power and authority to contract with third parties to perform any and all of the Association's duties and obligations under the Association Documents.

Section 8.2 <u>The Common Area</u>. The Association, subject to the rights of the Owners set forth in Article IV hereof, shall be responsible for the exclusive management and control of the Common Area and all improvements thereon (including furnishings and equipment related thereto) and shall keep the same in good, clean, attractive and sanitary

condition, order and repair; provided, however, that each Owner shall keep the Limited Common Area designated for use in connection with such Owner's Unit in a clean, sanitary, and attractive condition and shall maintain and repair the heating, ventilation and air conditioning equipment and hot water heater, and any other equipment servicing such Owner's Unit exclusively. The Association shall prepare appropriate budgets related to the performance of its obligations hereunder as the Management Body, in consultation with the Large Unit Members or their Designated Tenants, including any that is a Governmental Owner as defined in Article XXI, to coordinate the performance of the Association's obligations hereunder as well as the Association's levying of all assessments authorized hereunder consistent with the legal power of such Governmental Owners. The Association shall have the right to apportion the costs associated with services and maintenance of certain Common Area facilities to those Units actually utilizing such, provided, that the Association has reasonably determined that an allocation of such costs to some, but not all of the Units, is equitable and appropriate. The foregoing is intended to grant the Association power to make determinations regarding certain Common Area expenses, such as garbage, where other reasonable alternative arrangements exist for the operation of such. All Large Unit Members, their Designated Tenants, and Governmental Owners shall cooperate with the Association in the foregoing to maintain adequate reserves and undertake necessary and appropriate maintenance of the Common Area in conformance with this Declaration.

Such interest shall not be transferable except with the transfer of a Unit. A transfer of a Unit shall transfer to the transferee ownership of transferor's beneficial interest in such property without any reference thereto. Each Owner may use such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Unit under the foreclosure of a lien thereon shall entitle the purchaser to the interest in such personal property associated with the foreclosed Unit.

The Association may also take judicial action, including, without limitation, injunctive action against any Owner to enforce compliance with such Rules and Regulations, or other obligations or to obtain damages for noncompliance, all to the extent permitted by law. The Association is hereby appointed as the Owners' representative for the purpose of enforcing compliance with such Rules and Regulations. Any outside building management company or building manager hired by the Association under Section 4.16 may also be appointed by the Association to serve as such Owner's representative, so long as the Association provides adequate supervision of the activities of such company or manager.

Section 8.6 <u>Implied Rights</u>. The Association may exercise any other right or privilege given to the Association expressly by this Declaration or by law, and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association herein or reasonably necessary to effectuate any such right or privilege.

Section 8.7 <u>Association Property</u>. The Association may accept and exercise jurisdiction over all property, real and personal, conveyed free and clear of all liens and encumbrances to the Association by Declarant, including (a) easements for operation and maintenance purposes over any portion of the Project and (b) the Association Easements. For purposes of this Section, a nonexclusive easement, license or other contractual right to use in favor of the permitted users or any of them shall not be deemed a lien or encumbrance.

Section 8.8 <u>Title to Property Upon Dissolution</u>. The Association may convey, upon dissolution of the Association, the assets of the Association to an appropriate public agency or agencies to be used for purposes similar to those for which the Association was created, or to a nonprofit corporation, association, trust or other organization organized and operated for such similar purposes, provided however, that the ownership, use, management and operation of such assets which constitute any portion of the Project shall be subject to the terms of this Declaration.

#### ARTICLE IX ASSESSMENTS

Section 9.1 <u>Agreement to Pay Assessment</u>. Declarant, for each Unit owned by Declarant within the Project and for and as the developer of the Project and every part thereof, hereby covenants, and each Owner of any Unit by the acceptance of a deed, whether or not it be so expressed in the deed, shall be deemed to covenant and agree with each other and with the Association to pay to the Association those Periodic Assessments (defined below) levied by the Association for the purposes provided in this Declaration and Special Assessments for capital improvements and other matters as

provided in this Declaration. In the case of joint or co-ownerships this liability shall be joint and several. Such Assessments shall be fixed, established, and collected from time to time in the manner provided in this Article.

Section 9.2 <u>Amount of Total Periodic Assessments</u>. The total periodic assessments ("Periodic Assessments") against all Units shall be based upon advance estimates of cash requirements by the Association to provide for the payment of all estimated expenses connected with the maintenance, operation, repair, improvement, replacement, management and operation of the Common Area and the Project, and the furnishing of electrical, water, sewer, trash collection, and other common services to each Unit, to the extent not separately metered or billed to a specific Unit, which estimates may include, among other things, expenses of management, taxes and special assessments, premiums for all insurance which the Association is required or permitted to maintain pursuant hereto, landscaping and care of grounds, common lighting, common heating, ventilation and air conditioning, water charges, trash collection, sewer service charges, repairs and maintenance, wages for the Association employees, reasonable legal and accounting fees, any deficit remaining from a previous period, the creation of a reasonable contingency reserve, surplus, or sinking fund, the provision of facilities, services and benefits to the Owners, the costs and expenses incurred by the Association pursuant to any declaration, easement or other matter of record encumbering the Common Area and/or the Project, and the administration and enforcement of the covenants, restrictions, reservations and easement created or set forth in the Association Documents, the operation of the Association, the levy and collection of the Assessments, the regulation and management of the Project, and any other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under or by reason of this Declaration. In the event that the Association determines that an Owner's use of the Common Area places an excessive and unreasonable burden on the other Owners and the Association in terms of the expenses set forth herein, the Association shall have the power to impose a Special Assessment against that Owner as set forth below.

Section 9.3 <u>Apportionment of Periodic Assessments</u>. The expenses incurred by the Association attributable to all of the Units shall be apportioned among all Owners of Units based on their respective Allocation of Ownership Interest in Common Areas.

Section 9.4 Notice of Periodic Assessments and Time Payment Thereof. The Association shall make Periodic Assessments, which Periodic Assessments shall be annually, quarterly, or monthly, as the Association shall from time to time determine. The Association may, in the Association's discretion, send notice of Periodic Assessments to each Owner, which notice shall specify the amount of the Periodic Assessment and the date or dates of payment of the same. No payment shall be due less than fifteen (15) days after the said written notice has been given. Each Periodic Assessment shall bear interest at the rate equal to the Default Interest Rate from the date it becomes due and payable if not paid within thirty (30) days after such date and shall be subject to an automatic late charge of Fifty Dollars (\$50.00). Failure of the Association to give notice of the Periodic Assessment shall not affect the liability of any Owner for such Periodic

Assessment, but the date when payment shall become due in such a case shall be deferred to a date fifteen (15) days after such notice shall have been given.

Section 9.5 Special Assessments. In addition to the Periodic Assessments authorized by this Article, the Association may, at any time, levy a special assessment ("Special Assessment"). Special Assessments shall be authorized (a) to defray in whole or in part the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or any other expense incurred or to be incurred as provided in this Declaration; or (b) where the Association has exercised its power (i) to incur expenses for maintenance and repair of any Unit or its appurtenant Limited Common Area if such maintenance or repair is necessary, in the opinion of the Association to protect the Common Area, or any other portion of the Project, (ii) to address an Owner's use of the Common Area in such a manner as to unreasonably cause the Association or the other Owners to incur costs and expenses that exceed their Allocated Share of the same or to cause them to subsidize the Owner's use of the Common Area. or (iii) to maintain or repair its Unit or appurtenant Limited Common Area if the Owner of said Unit have failed or refused to perform said within a reasonable time after written notice of the necessity of said maintenance or repair has been delivered by the Association to said Owner. Special Assessments pursuant to subsection (b) shall be levied against the Owner of any such Unit to pay for the cost of such maintenance and repair and any other costs or expenses arising out of or incident to such maintenance and repair and the Special Assessment therefor. A Special Assessment shall bear interest at the rate equal to the Default Interest Rate from the date it becomes due and payable if not paid within thirty (30) days after such date and shall be subject to an automatic late charge of Fifty Dollars (\$50.00).

#### Section 9.6 Lien for Assessments.

All sums assessed to any Unit pursuant to this Article, (a) together with interest thereon as provided herein, shall be secured by a lien on such Unit in favor of the Association upon recordation of a notice of assessment lien as herein provided. Such lien shall be superior to all other liens and encumbrances on such Unit except only for: (a) valid tax and special assessment liens on the Unit in favor of any governmental assessing authority; (b) to the extent required by law, a lien for all sums unpaid on any Mortgage which encumbers such Unit and which has been duly recorded in Ada County, Idaho, real estate records prior to the recordation of a notice of lien with respect to such Unit, including all unpaid obligatory advances to be made pursuant to such Mortgages and secured by the lien thereof in accordance with the terms of such instrument, to the extent required by law; and (c) labor or materialmen's liens, to the extent required by law. All other lien holders acquiring liens on any Unit after this Declaration shall have been recorded in said records shall be deemed to consent that such liens shall be inferior liens to future liens for Assessments as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

(b) To create a lien for sums assessed pursuant to this Article, the Association may prepare a written notice of the assessment lien setting forth the amount of the Assessment, giving rise to the lien, the date due, the amount remaining

unpaid, the name of the record Owner of the Unit and a description of the Unit. Such notice shall be signed by the Association and may be recorded in the office of the Ada County Recorder of Ada County, Idaho. No notice of an assessment lien shall be recorded until there is a delinquency in payment of the Assessment. Such lien may be enforced by sale by the Association after failure of the Owner to pay such an Assessment in accordance with its terms, such sale to be conducted in the manner permitted by law in Idaho for the exercise of power of sale in deeds of trust or in any other manner permitted by law, including, without limitation, judicial foreclosure. The Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of preparing and filing of the notice of assessment lien and all costs and expenses related thereto, including, without limitation, reasonable attorney fees. All such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Unit, which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use, and otherwise deal with the same as the Owner thereof.

- (c) A further notice stating the satisfaction and release of any such lien shall be executed by the Association and recorded in the Ada County, Idaho real estate records upon payment of all sums secured by a lien, which has been made the subject of a recorded notice of assessment lien.
- (d) Any Person holding a lien on a Unit may pay, but shall not be required to pay, any amounts secured by the lien created by this Section, and upon such payment such Person shall be subrogated to all rights of the Association with respect to such lien, including priority.
- (e) Without imposing any liability upon the Association for its failure to do so, the Association shall be entitled to report any unpaid Assessment remaining unpaid for longer than sixty (60) days after the same shall have become due to any encumbrancer of a Unit; provided, however, such encumbrancer first shall have furnished written notice of such encumbrance to the Association.
- Section 9.7 <u>Personal Obligation of Owner</u>. The amount of any Periodic Assessment or Special Assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. If permitted under applicable law, legal proceedings to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosure or waiver of the lien securing the same. No Owner may avoid or diminish such personal obligation by waiver of the use and enjoyment of any of the Common Area or by abandonment of the Owner's Unit.

Section 9.8 <u>Statement of Account</u>. Upon payment of a reasonable fee, not to exceed Fifty Dollars (\$50.00), and upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Unit, the Association shall issue a written statement setting forth the amount of the unpaid Assessments, if any, with respect to such Unit, the amount of the current periodic Assessment, the date that such Assessment becomes or became due, and credit for advanced payments or prepaid

Section 9.9 <u>Personal Liability of Purchaser for Assessments</u>. Subject to the provisions of Section 9.8, a purchaser of a Unit shall be jointly and severally liable with the seller for all unpaid Assessments against the Unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such Assessments.

#### ARTICLE X SUB-ASSOCIATIONS

Section 10.1 <u>Purpose of Sub-Associations</u>. In recognition of the complex operational elements of the Project as set forth above, at the outset of the operation of the Project, Declarant does hereby create and organize certain Sub-Associations for the purposes of more accurately and effectively allocating responsibility for such Project elements. Additionally, in the event of the dividing of a Unit pursuant to a Sub-Declaration, a Sub-Association shall also be formed thereunder.

Section 10.2 <u>Formation of Project Element Specific Sub-Associations</u>. In furtherance of Section 1.5.4 above, Declarant does hereby organize the following Sub-Associations at the outset of the creation of the condominium:

Section 10.2.1 <u>Centre Building Sub-Association</u>. The Allocation of Interest in Common Area for the Centre Building Sub-Association shall be as set forth in Exhibit E-2, to the extent that such an allocation is required for purposes of tax assessment under Section 55-1514 of the Condominium Property Act and for purpose of liability as, provided by Section 15-1515 of the Condominium Property Act. For the purpose of complying with Section 55-1505(c) of the Condominium Property Act, Declarant has determined that the best way to determine the value of each Unit is to base it upon the schedule set forth in Exhibit E-2. Each Owner that is a Member of the Centre Building Sub-Association shall be entitled to the number of votes allocated to each Owner's Unit, as identified on Exhibit E-2.

Section 10.2.2 <u>Clearwater Building Sub-Association</u>. The Clearwater Building Sub-Association shall have as its Members, the Owners of Units 1A, 1B, 1C, 1D, 1E, 1F, 2A, 3A, 4A, 5A, 6A, 7A, 8A, 9A, and 10A, or their Designated Tenants, to the extent that (a) a qualifying Designated Tenant exists and (b) the Owner has so delegated its rights as a Member to same. The Allocation of Interest in Common Area for the Clearwater Building Sub-Association shall be as set forth in Exhibit E-3, to the extent that such an allocation is required for purposes of tax assessment under Section 55-1514 of the Condominium Property Act and for purposes of liability as, provided by Section 15-1515 of the Condominium Property Act. For the purpose of complying with Section 55-

1505(c) of the Condominium Property Act, Declarant has determined that the best way to determine the value of each Unit is to base it upon the schedule set forth in Exhibit E-3. Each Owner that is a Member of the Clearwater Building Sub-Association shall be entitled to the number of votes allocated to each Owner's Unit, as identified on Exhibit E-3.

Section 10.2.3 <u>Unit A Sub-Association</u>. The Unit A Sub-Association shall have as its Members, the Owners of Unit A, or its Designated Tenants, to the extent that (a) a qualifying Designated Tenant exists and (b) the Owner has so delegated its rights as a Member to same. The Allocation of Interest in Common Area for the US Bank Building Sub-Association shall be as set forth in Exhibit E-4, to the extent that such an allocation is required for purposes of tax assessment under Section 55-1514 of the Condominium Property Act and for purposes of liability as, provided by Section 15-1515 of the Condominium Property Act. For the purpose of complying with Section 55-1505(c) of the Condominium Property Act, Declarant has determined that the best way to determine the value of each Unit is to base it upon the schedule set forth in Exhibit E-4. Each Owner that is a Member of the Clearwater Building Sub-Association shall be entitled to the number of votes allocated to each Owner's Unit, as identified on Exhibit E-4.

Section 10.3 <u>Powers of the Sub-Associations</u>. The Centre Building Sub-Association, Clearwater Building Sub-Association, and the Unit A Sub-Association shall have all of the duties, rights and powers of the Association, in managing the interests of their respective Members for the portions of the Project so administered by the Association. The Sub-Associations shall, however, be at all times subordinate to the Association. In managing and operating the Sub-Associations, all provisions related to the governance of the Association shall be applicable to the Sub-Associations, and each Sub-Association shall perform its duties as if it were the Association. The Association shall coordinate with and delegate power to the Sub-Associations consistent with Section 1.5.4 above, provided, however, that the Association shall have the absolute discretion to assume power previously delegated to a Sub-Association in the event that the Sub-Association's performance materially threatens the maintenance, operation, and preservation of the Project.

Section 10.3.1 The Association may specifically delegate to the Sub-Association (a) responsibility for the maintenance and repair of the Common Area appurtenant to the Units that comprise the Sub-Association; (b) responsibility for insuring the Units that comprise the Sub-Association; and (c) any other power or responsibility which can reasonably be carried out by the Sub-Association without adversely impacting the Project.

Section 10.3.2 Subject to the limitation set forth below, the Sub-Associations shall be expressly delegated the following duties:

(a) The Sub-Associations shall have the right to exercise the powers set forth in Article XIII associated with Casualty Damage or Destruction as to the Units that comprise the Sub-Association;

- (b) The Sub-Associations shall have the right to exercise the powers set forth in Article XIV associated with Obsolescence as to the Units that comprise the Sub-Association:
- (c) The Sub-Associations shall have the right to exercise the powers granted the Association in the event of a partial condemnation of Units that comprise the Sub-Association pursuant to Article XV;
- (d) The Sub-Associations shall have the obligation to maintain those Common Areas appurtenant to the Units that compromise the Sub-Association as well as Common Building Exterior and Structural Limited Common Areas appurtenant to the Units that compromise the Sub-Association as set forth in Section 4.7, provided, however, that the exterior surface plaza and walkway areas that are Common Areas, shall not be subject to maintenance by the Sub-Association, and shall always be maintained by the Association.

The powers and obligations conferred upon the Sub-Associations in this Section shall only be exercised by the Sub-Association to the extent these powers and obligations are solely applicable to the Units comprising the Sub-Association. The Association may withdraw the conferral of powers and obligations set forth herein, having given a Sub-Association notice of its deficiencies in performance and at least fifteen (15) day opportunity to cure such deficiencies if (a) any of the events or obligations set forth above affect Units in more than a single Sub-Association; (b) a Sub-Association fails to exercise the powers or fulfill the obligations conferred herein in a commercially reasonable manner consistent with similar properties in Boise, Idaho, to the detriment of other Units within the Project; or (c) the Association demonstrates that certain powers and obligations can be performed by the Association in a more cost effective manner. Prior to withdrawing any of the foregoing powers and obligations the Association shall provide reasonable notice to the Sub-Association and shall afford the Sub-Association a reasonable opportunity to address and rectify its deficiencies in the performance of its powers and obligations.

# ARTICLE XI COVENANTS, CONDITIONS AND RESTRICTIONS

Section 11.1 <u>Use of Units</u>. The uses that are permitted of the Units shall be consistent with the provisions of this Declaration and any Sub-Declarations.

Section 11.2 <u>Multimodal Center Use</u>. The Multimodal Center will be operated within the VRT Units and appurtenant easements. As such, nothing in this Section or elsewhere in this Declaration shall limit or restrict the ability of the Owner of the VRT Units to operate a public transit facility within the VRT Units or appurtenant easements and nothing contained herein shall apply with the respect to noise emanating from the Multimodal Center in its operation as a transit center. The operation of the Multimodal Center shall be exclusively at the discretion of the Owner of the VRT Units, with access to the Multimodal Service Areas by the Multimodal Service Areas Accessing Parties occurring pursuant to the provisions of this Declaration, including the reservation of

easements and designation of Limited Common Areas as required to facilitate the integrated, yet separate operation of the Multimodal Center within the larger Project. Notwithstanding anything in this Declaration or elsewhere to the contrary, neither this Section, nor any other provision of this Declaration that would limit or restrict the ability of the Owner of the VRT Units to so operate a public transit facility may be amended or revised in any manner without the express written consent of the Owner of the VRT Units.

#### Section 11.3 Vehicles and Parking.

Section 11.3.1 No motor vehicle classed by manufacturer rating as exceeding three-quarter ton and no mobile home, trailer, detached camper or camper shell, boat or other similar equipment or vehicle may be kept or parked within the Parking Units or the Parking Areas, except such delivery and service trucks as are temporarily parked in locations designated by the Association for such purposes.

Section 11.3.2 No motor vehicle shall be constructed, repaired or serviced at the Project, except on a short-term emergency basis where such repairs are necessary to affect the removal of a disabled vehicle.

Section 11.3.3 Users shall have no right to use, any parking space located in the Project within the Parking Units or the Parking Areas, except by separate agreement or license with the Owner of same.

Section 11.3.4 No vehicle shall be parked or left on the Project subject to this Declaration other than designated parking spaces which shall be used for parking operable vehicles only and shall not be converted for living, recreational or business purposes, nor shall anything be stored in any parking area so as to prevent the parking of a motor vehicle thereon.

Section 11.4 <u>Use of Common Area</u>. Except as specifically set forth with respect to Limited Common Area, there shall be no obstruction of the Common Area, nor shall anything be stored on any part of the Common Area without the prior written consent of the Association. The Owners, their Occupants, and their Users may not use any Common Area in any manner that unreasonably interferes with, hinders or encroaches upon the rights of other Owners in and to the Common Areas.

Section 11.5 <u>Prohibition of Damage and Certain Activities</u>. Nothing shall be done or kept in any part of the Project which would result in the cancellation of the insurance on the Project or any part thereof or increase the rate of insurance on the Project or any part thereof over what the Association or any Owner would pay, but for such activity, without the prior written consent of the Association and each Owner. Nothing shall be done or kept in any part of the Project that would be in violation of any statute, rule, ordinance, regulation, permit, or other validly imposed requirement of any governmental body. No damage to or waste of the Common Area or any part thereof shall be committed by any Owner or any of Owner's Occupants or Users, and each Owner shall release the Association and indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by such Owner or such

Owner's Occupants or Users. No noxious, illegal, destructive, dangerous or offensive activity shall be carried on in any part of the Project. No Owner or such Owner's Occupants or Users shall create or permit a nuisance to exist on any portion of the Project within the ownership or control of same. Provided, however, that notwithstanding the foregoing no use or activity otherwise permitted by the City of Boise Zoning Ordinance shall be prohibited within the Project. The load on each floor shall not exceed the load specified in the original plans and specifications for the Project.

Section 11.6 <u>Rules and Regulations</u>. No Owner shall violate the Rules and Regulations for the use of that portion of the Project to which such Rules and Regulations apply. Any violation of any state, municipal or local law, ordinance or regulation pertaining to ownership, occupation or use of any property within the Project is hereby declared to be a violation of a restriction in this Declaration and subject to any or all of the enforcement procedures set forth below.

Section 11.7 <u>Maintenance of Interiors</u>. Consistent with Section 4.11 and Section 4.12 above, each Owner or Occupant shall keep the interior of such Owner's or Occupant's Unit, including, without limitations interior walls, windows, glass, ceilings, floors, and permanent fixtures and appurtenances thereto and the Limited Common Areas designated exclusively therefor, if any, in a clean, sanitary, and attractive condition and good state of repair. If certain Limited Common Areas are designated for use by multiple Units, then such Owners shall collectively maintain, clean, repair and generally keep in good order and operating condition the Limited Common Areas serving such Units.

#### Section 11.8 Alterations.

Section 11.8.1 Except as otherwise expressly provided in this Declaration, an Owner may not make (i) any improvement or alteration to a Common Area, or (ii) any improvement or alteration to its Unit that affects any Common Area or any other Unit, without the prior written consent of the Association and Owner of any affected Unit. No Owner shall do any work or make any alterations or changes that would jeopardize the soundness or safety of the Project without obtaining the prior written consent of the Association. No Owner shall do any work or make any alterations or changes which would reduce the value of the Project or impair any easement or hereditament, without in every case first obtaining the prior written consent of the Association. Without limiting the generality of the foregoing, an Owner may not, without the prior written consent of the Association, install or erect any improvement, mechanical system or fixture that either: protrudes beyond the boundaries of the Owner's Unit; or is located wholly outside the Owner's Unit (even if located within a Limited Common Area that is assigned to solely the Owner's Unit).

Section 11.8.2 Notwithstanding Section 11.8.1 above, initial construction of the Project may be carried out by Declarant or any Owner responsible for such initial construction without obtaining the prior written consent of the Association; provided, however, that all such initial construction shall be accomplished in accordance with plans

and specifications approved by Declarant prior to the commencement of such construction.

Section 11.9 <u>Construction Work Generally</u>. All Construction Work as defined below shall be conducted as follows:

Section 11.9.1 All construction, alteration, replacement or repair work undertaken upon any portion of a Unit or the Project ("Construction Work"), shall be accomplished in the most expeditious, diligent and speedy manner possible. Any Person undertaking Construction Work shall take all necessary measures to minimize any damage, disruption or inconvenience caused by the Construction Work to the Owner, Owner's Occupant, or Users of any affected Unit or the Project, and shall make adequate provisions for the safety and convenience of all Occupants and Users of the Project. Specifically, from and after the initial occupancy of any Unit, any Construction Work shall be conducted in a manner and during restricted hours so as to avoid interference with ingress and egress to and the guiet use and enjoyment of the Occupants and Users of the Project. An Owner shall coordinate and schedule any Construction Work with the Owner and the Owner's Occupant of any Unit that will be potentially impacted by such Construction Work to minimize such impact and not unreasonably interfere with or limit the operations of any such affected Unit. Notwithstanding the foregoing each Owner, however, taking title to a Unit from and after the recording of this Declaration shall be deemed to have acknowledged and agreed that due to the complexity of the Project, its mixed-use nature, and the interrelated elements of the Project that it shall reasonably coordinate with other Owners and their Occupants in the performance of Construction Work and that no Owner shall unreasonably object to or limit the performance of such Construction Work.

Section 11.9.2 Any Owner, Owner's Occupant, or User undertaking Construction Work shall promptly repair, at its own cost and expense, any and all damage caused thereby and shall restore the affected portion of the improvements upon which the Construction Work is performed to a condition equal or superior to the condition existing prior to beginning the Construction Work and shall pay all costs and expenses associated therewith and shall indemnify and hold all Owners, Occupants and Users harmless from any and all loss, cost, damages, liability, injury or expense (including, but without limitation, claims of lien for work or labor performed, and materials or supplies furnished in connection with Construction Work or the voiding or terminating of any existing warranty applicable to any item or element installed in the Project) caused by or arising out of the performance of the Construction Work. The foregoing limitation shall not, however, apply to the obligation to promptly repair, at its own cost and expense, any and all damage caused by the Owner as set forth above in the manner specified above.

Section 11.9.3 Except in the event of an emergency, Construction Work shall be undertaken only after giving the Association thirty (30) days' prior written notice of the Construction Work to be undertaken, the scope, nature and extent of the Construction Work, the duration of the work period, and the area in which the Construction Work is to be performed. Such notice shall include copies of any plans and specifications for the Construction Work to be undertaken.

Section 11.9.4 All Construction Work shall comply with the plans and specifications therefor approved under this Declaration, and with all applicable laws, ordinances, rules, regulations and other requirements of all governmental authorities, public bodies and other authorities having jurisdiction (such as public utilities), including, without limitation, environmental and zoning laws and building codes. The Person performing the Construction Work shall also secure all licenses and permits required therefor by said authorities. All Construction Work shall be performed in accordance with rules and regulations from time to time promulgated by the Association.

Section 11.10 <u>Emergency Work.</u> Notwithstanding any requirement for prior notice or approval contained in this Declaration, in the event of an emergency condition, any Occupant or User may undertake the necessary Construction Work to remedy any emergency condition, provided that such Occupant or User does so in good faith, gives notice thereof to the Association upon the occurrence of the emergency condition or as soon thereafter as possible, and otherwise conforms to the applicable provisions of this Article, to the extent feasible under the circumstances.

Section 11.11 <u>Enforcement Responsibility</u>. Without limitation upon its general powers, the Association shall be responsible for enforcement of all of the covenants of this Article with respect to all Construction Work performed within the Project.

Section 11.12 In the initial approval of the Project, Declarant Signage. obtained approval for a master sign plan for the Project ("Project Sign Plan"). Each Owner shall have the right to erect identification signs or similar signage identifying the business or names of the Occupants conducting business in the Unit on or within its Unit consistent with the Project Sign Plan, except that any sign(s) or signage constructed in or on a Unit which are visible from any Common Area must be approved by the City of Boise and the Association in writing prior to erecting such identification sign(s) or signage to ensure consistency with the Project Sign Plan. Without limiting the foregoing, no "For Sale" or For Rent" or similar signs which are visible from any Common Area shall not be displayed unless approved by the Association. Additionally, the Association may approve placement of signage upon the Common Area, including upon the exterior of the buildings on such terms and conditions as it may elect to impose upon the Association's exercise of its discretion in implementation of the Project Sign Plan. All placement of signage upon the Common Area including all exterior signage shall occur only upon the Association's review and approval and upon compliance with all governmental requirements and the Project Sign Plan. Notwithstanding the foregoing, each Owner by accepting a deed to a Unit herein is deemed to acknowledge that (a) at the time of approval for the Project, the entirety of the Project was within a district that imposed significant limitations and restrictions to the size, location, and number of signs for various elements of the Project; (b) the original Project Sign Plan was approved on December 1, 2014 by the City of Boise pursuant to a variance application, CVA14-00059, approving the Project signage plan; (c) any modification to the Project Sign Plan for any Unit will likely necessitate modification to CVA14-00059 from the City of Boise; and (d) that the Association may withhold approval of any future modification of the approved signage for any Unit, if the approval

of the same would adversely affect, limit, or modify any previously approved Project Sign Plan pursuant to CVA14-00059. Any Owner seeking such modification to the Project Sign Plan shall confer first with Declarant and the Association, and shall be solely responsible for obtaining approval of its signage and the manufacturing and installation of the same.

Section 11.13 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate, and no odors shall be permitted to arise from the Project or any Unit so as to render any portion of the Project unsanitary, unsightly, offensive, or detrimental to any other portion of the Project, any Unit, or to any Occupants. No noise or other nuisance shall be permitted to exist or operate upon any portion of the Project or any Unit so as to be offensive or detrimental to any other portion of the Project, any Unit or any Occupants. Without limiting the generality of any of the following provisions, no exterior speakers, horns, whistles, bells, or other sound devices (other than security systems used exclusively for security purposes) shall be located, used, or placed on any such portion of the Project or any Unit without the prior written approval of the Association. Provided, however, that notwithstanding the foregoing no use or activity otherwise permitted by the City of Boise Zoning Ordinance or any agreement between Declarant and the City of Boise shall be deemed to be a nuisance or shall be prohibited on the Project.

Section 11.14 <u>Exterior Installations</u>. Except as set forth in Section 4.13.7, no telecommunications equipment, television antennas, wiring, or installation of HVAC equipment, unless properly screened from view or contained within roof wells as part of the original construction of the Project, shall be installed on the exterior or roof of any building for the use of any Unit or be allowed to protrude through the walls, windows, or roof of any Building for the use of any Unit unless the prior written approval of the Association, which approval shall not be unreasonably withheld, delayed, or conditioned is secured, provided, however, that the Association may reasonably require Owners to share such exterior installations and the Association shall have no obligation to permit the placement of any exterior installation that unreasonably interferes with the Common Area or would have an adverse impact on the structure or mechanical systems serving the Project.

Section 11.15 <u>Limitations on Noise and Amplification</u>. In addition to the general provisions of Section 11.13 and Section 11.14 applicable to the operation of the various patios, balconies, and decks developed within the Project, as identified in Section 4.2.4, Section 4.2.5, and Section 4.2.6, and the specific provisions related to the operation of the Multimodal Center in Section 11.2, there shall be additional limitations on noise and amplification as set forth in this Section. No Owner, Owner's Occupant, or User shall permit noise from its Unit, patio, balcony, or deck, whether ambient or amplified, to unreasonably limit or interfere with the use and enjoyment of any adjacent Unit, Limited Common Area, or Common Area. It is recognized that as a mixed-use development, the Project has included a variety of uses and Units that will utilize amplified sound within Units as well as amplified sound on adjacent patios, balconies and decks. The Owners, Owner's Occupants and Users shall take such appropriate action as to minimize the impact of such noise emanating from such areas, including reducing the volume of such

noise, modifying the amplification systems, or improving sound insulation between adjacent Unit, Limited Common Area, or Common Area, as circumstances may dictate.

Enforcement of Violations. No violation of the Declaration Section 11.16 and/or the Rules and Regulations, inclusive of those items described above, shall be allowed. If any Owner, Owner's Occupants, or Users authorized by the Owner commits such violation, the Association may, in addition to any other legal remedies it may have, impose a Special Assessment upon such Owner of not more than Fifty Dollars (\$50.00) for each such violation for each day that such violation continues. Before invoking such Special Assessment, the Association shall give such Owner sixty (60) days' written notice to cure such violation and/or to be heard by the Association regarding the violation and any potential Special Assessment. If such violation is of a nature that it cannot be remedied within sixty (60) days, no Special Assessment shall be invoked so long as the Owner submits a remediation plan to the Association to remedy the violation within a reasonable time and such Owner diligently pursues such plan to completion. If an Owner violates the Rules and Regulation more than twice within any three (3) year period, regardless of whether such Rule and Regulation that has been violated is the same, the accrual of such Special Assessment shall begin three (3) days after the Association gives notice of such violation rather than sixty (60) days after such notice. Such additional Special Assessments may be collected and enforced in the same manner as any other Special Assessment under Article IX. Each remedy provided in this Declaration or by law shall be cumulative and not exclusive. The failure to enforce any of the provisions of this Declaration at any time shall not constitute a waiver of the right to enforce such provision thereafter.

Section 11.17 Owner's Responsibility for Acts of Others. Each Owner shall be responsible for compliance with, and any violation of, the provisions of the Association Documents and the resolutions of the Association, by its Occupants and Users.

Section 11.18 <u>Indemnification</u>. Each Owner shall be liable to the remaining Owners, Declarant and the Association for any damage to the Common Area or the Units of the other Owners that may be caused by the Owner, its Occupants and Users to the extent any such damage is not covered by insurance. Each Owner shall indemnify, defend and hold harmless each of the other Owners, Declarant and the Association from and against any claim of any person for personal injury or property damage occurring within the Unit of the indemnifying Owner, unless the injury or damage to which such indemnity would apply occurred by reason of the active negligence or willful misconduct of the party claiming indemnification. In the event of damage that does is not fully indemnified due to the limitation set forth above, the Association shall have the power to levy an Assessment as authorized pursuant to Article IX, as reasonably necessary to compensate for any unindemnified injury.

Section 11.19 <u>Notice of Conveyance, Assignment or Encumbrance</u>. Promptly after a conveyance of a fee simple interest in a Unit or portion thereof, the grantee shall furnish a copy of the conveyance deed to the Association. Promptly after an encumbrance of a fee simple interest in a Unit or portion thereof, the Owner shall furnish the Association with a copy of the Mortgage creating the encumbrance.

- Section 11.20 <u>Deliveries, Trash Removal and Other Services.</u> By acceptance of a deed to a Unit, an Owner agrees that all deliveries and all trash removal services, and other such services to that Owner or its Unit other than removal of shredded sensitive paper and other storage devices shall be effected at a location or locations designated by the Association from time to time for such purposes. Unless otherwise directed by the Association, Owners of all Units and their Users shall place all trash and other waste from the Units in receptacles which are located in the Project and designated for that purpose. Owners shall not, and shall not permit their Users to litter. No burning of trash, garbage or other waste materials will be permitted at the Project.
- Section 11.21 <u>Exterior Storage</u>. No Owner shall store any materials or items on or in any Common Area, other than those Common Areas designed for that purpose, such as storage lockers, and then only in strict accordance with the terms and conditions of the Rules and Regulations.
- Section 11.22 Animals. No animals, livestock or poultry of any kind shall be raised, bred, or kept in or on the Property or in any Unit, except in accordance with the Rules and Regulations. Provided, however, that nothing contained herein shall prohibit service animals within this Project, as such term is defined in the American with Disabilities Act.
- Section 11.23 <u>Solid-Fuel Burning Devices</u>. No solid-fuel burning devices, such as charcoal grills and wood burning stoves or fireplaces shall be used, kept or stored on the Project, without the prior approval of Declarant, or if after the Declarant Control Period, then the Association and the installation of appropriate air scrubbers to ensure that there is no damage to or additional maintenance of the Project as a result of such.
- Section 11.24 <u>Disclosures Regarding Rentals</u>. The Association may regulate, limit, or prohibit rentals of Units to tenants whose use would violate any provision of this Declaration, result in a violation of applicable laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction, or likely result in objectionable noise, odors, or nuisances that would impact other occupants of the Project. All such regulations, limitations or prohibits shall be applied in a nondiscriminatory manner.
- Section 11.24.1 The Owner shall require its tenant to comply with all of the terms and conditions of the Declaration and Bylaws;
- Section 11.24.2 The Owner shall require its tenant to not allow or commit any nuisance, waste, unlawful or illegal act upon the Project; and
- Section 11.24.3 The Owner shall require its tenant to abate any nuisance, waste, unlawful or illegal activity upon the premises as identified on the Association and the Owner shall acknowledge that the Association shall be entitled to exercise all of the Owner's rights and remedies under the lease agreement to do so.

Section 11.24.4 Owners of a Unit shall from time to time, upon request by Declarant and/or the Association provide the name, address, and telephone number of all Occupants, or subtenants, as well as a copy of the written lease agreement between the Owner and its Occupant, and any subtenants. The Association shall have the right and the obligation to enforce compliance with the Declaration and the Bylaws against any Owner and/or Occupant, or any subtenant, and shall have available to it all rights and remedies available in law or equity to enforce this Declaration, including any right or remedy as a third party beneficiary under any lease agreement, to enforce such compliance.

#### ARTICLE XII INSURANCE

Section 12.1 Types of Insurance. The Association shall obtain and keep in full force and effect at all times the following insurance coverage provided by companies duly authorized to do business in Idaho. The provisions of this Article shall not be construed to limit the power of authority of the Association to obtain and maintain insurance coverage in addition to any insurance coverage required hereunder in such amounts and in such forms as the Association may deem appropriate from time to time. In order to facilitate the providing and maintaining of adequate and proper insurance, it is contemplated that Declarant may contract for blanket insurance coverage covering the Project as contemplated by this Article prior to or concurrently with the first conveyance of a Unit. Any obligation or commitment for the payment of premiums or expenses otherwise incurred by Declarant under any such blanket policy or coverage, whether or not the same is also a personal obligation of the purchaser or purchasers of any Unit, shall become an obligation of the Association and shall be paid for out of Association funds.

Section 12.1.1 Property/Casualty Insurance. The Association shall obtain insurance on the Project to provide coverage in the event of damage or destruction from the casualty against which such insurance is obtained, together with an agreed amount or similar endorsement sufficient to remove any coinsurance requirement in the Property coverage, all in the manner reasonably deemed appropriate by the Association. Such insurance shall be in an amount of the full replacement value of: (a) the Common Area; (b) the "shell" finish of any unit including all demising walls and storefronts, all doors, locks, plumbing and electrical fixtures and HVAC equipment and fixtures (but without floor, wall or window coverings, paint, or finish, without built-in fixtures such a cabinets or file systems, and without special equipment used by the Occupant and wiring, plumbing and HVAC systems required to support such special equipment); (c) utilities to the core of the Common Area on the floor; and (d) an amount equal to forty dollars (\$40.00) per rentable square foot (as increased by the Association at its reasonable judgment from time to time to reflect increases in costs) to finish interior fixtures, utility and HVAC systems and other improvements within the Units. Such insurance must be all risk coverage or include express coverage for fire and extended coverages, including vandalism and malicious mischief; war risk insurance and earthquake coverage shall be added by endorsement or separate policy if available and if deemed appropriate by the

Association and can be obtained at rates deemed reasonable by the Association and/or the applicable Mortgagee, and such other risks and hazards against which the Association shall deem it appropriate to provide insurance protection. The Association may comply with the above requirements by the purchase of blanket coverage and may elect such "deductible" provisions as in the Association's opinion are consistent with good business practice.

Section 12.1.2 <u>Public Liability and Property Damage Insurance</u>. Association shall purchase broad-form, commercial general liability coverage in such amounts and in such forms as the Association deems advisable to provide adequate protection identifying (1) as a named insured the Association, any Mortgagee with a lien on a majority of the Units in the Condominium or a majority of the square footage of a building and insuring each Mortgagee with a secured lien on the Units as an additional insured without their having to be named in the coverage; (2) as named insureds, the Owners of all Units and their Designated Tenants; and (3) as additional insureds Ada County Highway District, Capital City Development Corporation, and the owners of certain adjoining and subsurface properties that are the subject of additional agreements imposing mutual ongoing obligations. The amount of such commercial General Liability Coverage shall be at least Two Million Dollars per occurrence and Five Million Dollars in the aggregate. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance, and other use of the Project. All liability coverages shall expressly waive all contributory negligence or acts by the Association or its members from limiting or invalidating any coverage.

Section 12.1.3 <u>Worker's Compensation and Employer's Liability Insurance</u>. The Association shall purchase worker's compensation and employer's liability insurance and all other similar insurance in respect to employees of the Association in the amounts and in the forms now or hereafter required by law.

Section 12.1.4 <u>Fidelity Insurance</u>. The Association shall purchase, in such amounts and in such forms as the Association shall deem appropriate, coverage against dishonesty of employees, destruction or disappearance of money or securities, and forgery. Such coverage limits shall be equal to not less than nine (9) months of Association Assessments to the Unit Owners for said period.

Section 12.1.5 Other. The Association may obtain insurance against such other risks of a similar or dissimilar nature as the Association shall deem appropriate with respect to the Project, including any personal property of the Association located thereon.

Section 12.1.6 <u>Coordination of Coverage</u>. All insurance coverage under this Declaration and any Sub-Declaration shall be coordinated by the Association and any Sub-Associations to ensure that the purposes of this Section are fully satisfied, providing the coverages required hereunder, while doing so in as cost effective a manner for the benefit of the Association, the Sub-Associations, the Owners of all Units, and the identified additional insureds and named insureds. It is the intention of Declarant in creating and imposing these rights that adequate insurance be maintained as set forth

herein, in a cost effective manner, in a comprehensive insurance regime for the entirety of the Project, including parcels that may be assembled and incorporated hereafter.

Section 12.2 Form. Property/Casualty insurance shall be carried in a form or forms naming the Association as trustee for the Owners, which policy or policies shall specify the interest of each Unit Owner (Owner's name, Unit number and the appurtenant undivided interest and/or share in the Common Area), and which policy or policies shall provide a standard loss payable clause providing for payment of insurance proceeds to the Association as trustee for the Owners and for the respective First Mortgagees which from time to time shall give notice to the Association of such First Mortgage, such proceeds to be used in accordance with this Declaration. Upon written request, the Association shall furnish to each Owner any First Mortgagee with a secured lien on a majority of the Units and to Declarant a true copy of such policy, together with a certificate identifying the interest of the Owner and said First Mortgagee. All policies of insurance obtained by the Association shall provide for a waiver of subrogation by the insurers as to claims against the Association, the Board of Directors, Declarant, employees and agents of the Association, and each Mortgagee of any Unit and shall provide that any "no other insurance" clause in the insurance policy shall exclude any policies of insurance maintained by any Owner or Mortgagee and that the insurance policy shall not be brought into contribution with insurance maintained by any Owner or Mortgagee.

Public liability and property damage insurance shall name the Association as the insured, as trustee for the Owners, and shall protect each Owner against liability for acts of the Association in connection with the ownership, operation, maintenance, or other use of the Project.

Section 12.3 <u>Insurance Proceeds</u>. Pursuant to the Deed of Trust to secure the construction loan for the Project, such Mortgagee will receive, hold and administer all property-casualty-insurance proceeds during the term of said loan. Thereafter, the Association shall receive the proceeds of any casualty insurance payments received under policies obtained and maintained pursuant to this Article. The Association shall apportion the proceeds to the portions of the Project, which have been damaged and shall determine the amount of the proceeds attributable to damage to the Common Area. To the extent that reconstruction is required herein, the proceeds shall be used for such purpose. To the extent that reconstruction is not required herein and there is a determination that the Project shall not be rebuilt, the proceeds shall be distributed in the same manner herein provided in the event of sale of obsolete Units. Each Owner and each Mortgagee shall be bound by the appointments of damage and of the insurance proceeds made by the Association pursuant hereto.

Section 12.4 Owner's Own Insurance. Each Owner shall obtain insurance at the Owner's own expense providing coverage upon the Owner's Unit for all floor, wall or window coverings or built-in fixtures such a cabinets or file systems, the Owner's personal property, furniture and furnishings located in the Owner's Unit, for the Owner's personal liability, and covering such other risks as the Owner may deem appropriate, but each such policy shall provide that it does not diminish the insurance carrier's coverage for liability arising under insurance policies which the Association obtains pursuant to this

Article. If any Owner violates this provision, any diminution in insurance proceeds otherwise payable under the policies, described in this Section that results from the existence of such other insurance will be chargeable to the Owner who acquired such other insurance, and the Owner shall be liable to the Association to the extent of any such diminution. In addition, any improvements made by an Owner within such Owner's Unit may be separately insured by the Owner, but such insurance shall be limited to the type commonly known as "tenant's improvements" insurance.

### ARTICLE XIII CASUALTY DAMAGE OR DESTRUCTION

Section 13.1 <u>Affects Title</u>. Title to each Unit is hereby made subject to the terms and conditions hereof which bind Declarant and all subsequent Owners, whether or not it is so expressed in the deed by which any Owner acquires such Owner's Unit.

Section 13.2 <u>Association as Agent</u>. All of the Owners irrevocably constitute and appoint the Association by and through the Association's elected officers as the Owners' true and lawful attorney-in-fact in the Owner's name, place, and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from Declarant or from any Owner shall constitute such appointment.

Section 13.3 <u>General Authority of the Association</u>. As attorney-in-fact, the Association by and through the Association's elected officers shall have full and complete authorization, right and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted to the Association. Repair and reconstruction of the Project as used in the succeeding Sections mean restoring the Project to substantially the same vertical and horizontal boundaries as before. Except upon the occurrence of the circumstances set forth in Section 13.8, the proceeds of any insurance collected shall be utilized by the Association to repair and reconstruct the Project.

Section 13.4 <u>Estimate of Costs</u>. As soon as practicable after an event causing damage to or destruction of any part of the Project, the Association shall obtain estimates that the Association deems reliable and complete of the costs of repair or reconstruction of that part of the Project damaged or destroyed.

Section 13.5 Repair or Reconstruction. As soon as practicable after receiving the estimates, the Association shall diligently pursue to completion the repair or reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair or reconstruction, as attorney-infact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. Such repair or reconstruction shall be in accordance with the original plans and specifications of the Project or may be in accordance with any other plans and specifications the Association may approve; provided, however, in such latter event in the absence of the consent of each affected Owner, the number of cubic feet and

the number of square feet of any Unit may not vary by more than five percent (5%) from the number of cubic feet and the number of square feet for such Unit, as originally constructed pursuant to such original plans and specifications for the Project, and the Project shall be substantially the same as prior to damage or destruction.

Section 13.6 <u>Funds for Reconstruction</u>. The proceeds of any insurance collected shall be available to the Association for the purpose of repair or reconstruction. If the proceeds of the insurance are insufficient to pay the estimated or actual cost of such repair or reconstruction, the Association, pursuant to Article IX hereof, may levy in advance a Special Assessment sufficient to provide funds to pay such estimated or actual costs of repair or reconstruction. Such Special Assessment shall be allocated and collected as provided in Article IX. Further levies may be made in like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

Section 13.7 <u>Disbursement of Funds for Repair or Reconstruction</u>. The insurance proceeds held by the Association and the amounts received from the Special Assessments provided for in Section 13.6 constitute a fund for the payment of cost or repair and reconstruction after casualty. It shall be deemed that the first money disbursed in payment for the cost of repair or reconstruction shall be made from insurance proceeds; if there is a balance after payment of all costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to the contributions by each Owner pursuant to the Special Assessments by the Association under Section 13.6 of this Declaration.

Section 13.8 <u>Decision Not to Rebuild</u>. If the Owners representing eighty percent (80%) of the votes, agree not to rebuild as provided herein within one hundred (100) days after the casualty, the Project shall be sold and the proceeds distributed to the Owners according to their respective Allocation of Ownership Interest in Common Areas.

Section 13.9 <u>Casualty to a Unit</u>. To the extent that the Association is not obligated to make any such repairs or replacements, each Owner shall repair or replace any damage to or destruction to the interior of its Unit, as soon as is reasonably practical after such damage or destruction occurs.

### ARTICLE XIV OBSOLESCENCE

Section 14.1 <u>Adoption of a Plan</u>. The Owners may agree that the Project is obsolete and adopt a written plan for renewal and reconstruction. Written notice of adoption of such plan shall be given to all Owners. Such plan shall be recorded in the Ada County, Idaho, real estate records. Any agreement pursuant to this Section shall require the vote of eighty percent (80%) of the votes of the Owners of Units that then exist.

Section 14.2 <u>Payment of Renewal and Reconstruction</u>. The expense of renewal or reconstruction shall be payable by all of the Owners as Assessments against their respective Units. These Assessments shall be levied in advance pursuant to Article IX,

hereof, and shall be allocated and collected as provided in that Article. Further levies may be made in like manner if the amounts collected prove insufficient to complete the renewal and reconstruction.

Section 14.3 Sale of Obsolete Units. The Owners may agree that the Units are obsolete and that the Project should be sold. In such instance, the Association shall forthwith record a notice setting forth such fact or facts, and mailing the same to each Owner of a Unit and to each First Mortgagee by receipted delivery (either overnight courier or certified US Mail) and upon the recording of such notice by the Association, the Project shall be sold by the Association as attorney-in-fact for all the Owners free and clear of the provisions contained in this Declaration, the Parcel Map and the Bylaws. The sale proceeds shall be apportioned among the Owners in proportion to their respective Allocation of Ownership Interest in Common Areas and such apportioned proceeds shall be paid into separate accounts, each account representing one (1) Unit. Each such account shall remain in the name of the Association and shall be further identified by the Unit designation and the name of the Owner. From each separate account, the Association, as attorney-in-fact, shall use and disburse the total amount of such accounts without contribution from one account to the other, first to Mortgagees and other liens, and the balance remaining to each respective Owner. Any agreement pursuant to this Section shall require the vote of eighty percent (80%) of the votes of the Owners of Units that then exist.

Section 14.4 <u>Distribution of Excess</u>. In the event amounts collected pursuant to Section 14.1 are in excess of the amounts required for renewal and reconstruction, the excess shall be returned to the Owners by the Association by a distribution to each Owner in an amount proportionate to the respective amount collected from each such Owner.

### ARTICLE XV CONDEMNATION

Section 15.1 <u>Consequences of Condemnation</u>. If, at any time or times during the continuance of the Unit ownership pursuant to this Declaration, or any part of the Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions shall apply.

Section 15.2 <u>Proceeds</u>. All compensation, damages or other proceeds therefrom, the sum of which is hereinafter called the "**condemnation award**," shall be payable to the Association.

Section 15.3 <u>Complete Taking</u>. In the event that the entire Project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the Unit ownership pursuant hereto shall terminate. The condemnation award shall be apportioned among the Owners in proportion to the respective Allocation of Ownership Interest in Common Areas as set forth in Exhibit E-1; provided that if a standard different from the value of the Project as a whole is employed to measure the condemnation award in the negotiation, judicial decree or otherwise, then in determining such shares the same standard shall be employed to the extent it is relevant and applicable, and each Owner

shall have the right to seek alternative judicial apportionment of such proceeds through a declaratory judgment proceeding upon demonstration of a more equitable allocation of the values of the Units.

On the basis of the principal set forth in the last preceding paragraph, the Association shall as soon as practicable determine the share of the condemnation award to which each Owner is entitled. Such shares shall be paid into separate accounts and disbursed as soon as practicable in the same manner provided in Section 14.3 of this Declaration.

Section 15.4 Partial Taking. In the event that less than the entire Project is taken or condemned, or sold, or otherwise disposed of in lieu of or in avoidance thereof, the Unit ownership and Condominium regime hereunder shall not terminate. Each Owner shall be entitled to a share of the condemnation award to be determined in the following manner: as soon as practicable, the Association shall, reasonably and in good faith, allocate the condemnation award between compensation, damages or other proceeds, and shall apportion the amounts so allocated among the Owners as follows: (a) the total amount allocated to taking of or injury to the Common Area shall be apportioned equally among the Owners; (b) the total amount allocated to severance damages shall be apportioned to those Units which were not taken or condemned or only partially taken; (c) the respective amounts allocated to the taking of or injury to a particular Unit or the taking of an entire Unit and/or improvements an Owner has made within its own Unit shall be apportioned to the particular Unit involved; and (d) the total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determined to be equitable in the circumstances and to assure as much as possible that the Project is restored to a useable condition. If an allocation of the condemnation award is already established in negotiation, judicial decree, or otherwise, then in allocating the condemnation award the Association shall employ such allocation to the extent it is relevant and applicable. Distribution of apportioned proceeds shall be made in the same manner provided in Section 14.3 of this Declaration.

Section 15.5 <u>Reorganization</u>. In the event a partial taking results in the taking of a complete Unit, the Owner thereof automatically shall cease to be a Member of the Association. Thereafter, the Association shall reallocate the Allocation of Ownership Interests in Common Areas, Allocation of Insurance Obligations and voting rights determined in accordance with this Declaration according to the same principles employed in this Declaration at its inception, and shall submit such reallocation to the Owners of the remaining Units for amendment of this Declaration as provided herein.

Section 15.6 <u>Reconstruction and Repair</u>. Any reconstruction and repair necessitated by condemnation shall be governed by the procedures specified in Article XIII above.

### ARTICLE XVI REVOCATION AND AMENDMENT

Section 16.1 Revocation or Amendment. Except where specifically provided for a higher percentage, this Declaration shall not be revoked, nor shall any of the provisions herein be amended, except upon the affirmative vote or consent of Declarant, during the Declarant Control Period and the Owners holding at least eighty percent (80%) of the votes. Any such revocation or amendment shall be binding upon every Owner and every Unit whether the burdens thereon are increased or decreased by any such amendment and whether or not the Owner of each and every Unit consents thereto. No revocation or amendment shall be effective unless and until the same is recorded in the official records of Ada County, Idaho.

Section 16.2 Power of Attorney for Purposes of Amendment of Parcel Map, Declaration, and Exhibits. All of Owners hereby irrevocably constitute and appoint Declarant through Declarant's authorized officer as the Owners' true and lawful attorneyin-fact in the Owner's name, place, and stead for the purpose of amending the Parcel Map and this Declaration to conform it to the actual configuration of the Project and the Units upon completion of construction of the Project, including amendment to depict easements within the Project, amendment of this Declaration to modify Exhibit D (Parcel Map) and amendment of this Declaration to modify Exhibits E-1, E-2, E-3, or E-4 to reflect the Improvements actually constructed (Allocation of Ownership Interest in Common Area and voting rights for the Association and designated Sub-Associations) attached hereto. Acceptance by any grantee of a deed from Declarant or from any Owner shall constitute such appointment. As attorney-in-fact, Declarant by and through its authorized officer shall have full and complete authorization, right and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to exercise the powers herein granted to Declarant. This power of attorney shall terminate upon the tenth (10th) anniversary of the recording of this Declaration.

Section 16.3 <u>Limitation on Amendment.</u> No amendment of this Declaration shall be effective to limit the use of any Unit under any commercial lease absent the affirmative consent of the Owner of such Unit or to otherwise prohibit a lawful use of said Unit. Notwithstanding the foregoing, any amendment approved pursuant to Section 16.1 for any purpose other than the use of a Unit, shall be binding upon every Owner and every Unit, whether the burdens thereon are increased or decreased thereby, and whether or not the Owner of each and every Unit consents thereto.

Section 16.4 Impact of Reversion on Unit B2. Unit B2 consists of subsurface property previously acquired by VRT from ACHD. Unit B2 is subject to certain reversionary rights retained by ACHD. If the reversionary interests retained by ACHD are triggered and ACHD reenters and takes possession of Unit B2 and desires that Unit B2 revert to its prior use and condition, then Unit B2 shall be severed from the Condominium with out any further action and shall be deemed to be no longer part of the Condominium. The Association and the Owner of Unit B1 shall work with ACHD to ensure that appropriate demarcation and demising occurs between Units B2 and B1. Declarant

hereby reserves the rights to effectuate the provisions of this Section and further reserves and declares in favor of the Association, Unit B2 and Unit B1 the easements necessary to effectuate this.

### ARTICLE XVII MORTGAGEE PROTECTIONS

Section 17.1 <u>Benefit of Mortgagees</u>. This Article establishes certain standards and covenants which are for the benefit of Mortgagees. This Article is supplemental to, and not in substitution of, any other provisions of this Declaration, but in the case of any conflict, this Article shall control.

Notwithstanding anything to the contrary contained in this Declaration, each Eligible Mortgagee may object to any action for which it is entitled to receive notice pursuant to Section 17.2 above if the collateral secured by its lien has been damaged or impaired unless such Eligible Mortgagee grants its written consent or its lien is paid off in full; and the Association may not take any of the following actions without the consent of First Mortgagees holding liens on not less than sixty-seven percent (67%) of the Units in the Condominium (based on the Allocated Interest in Common Area attributable to each Unit covered by a First Mortgage):

- (e) use property insurance proceeds for losses to any portion of the Common Areas for other than repair, replacement, or reconstruction of such Common Areas, except as provided by this Declaration; or
  - (f) merge the Project with any other common interest community.

Section 17.4 <u>Notice of Objection</u>. Unless an Eligible Mortgagee or First Mortgagee provides the Association with written notice of its objection, if any, to any proposed amendment or action requiring notice to or approval of such Eligible Mortgagees or First Mortgagees, as the case may be, within sixty (60) days following the receipt of notice of such proposed amendment or action, the First Mortgagee will be deemed conclusively to have consented to or approved the proposed amendment or action.

#### Section 17.5 First Mortgagee's Rights.

- (a) First Mortgagees, jointly or singly, may pay taxes or other charges which are in default and which may or have become a charge against any of the Common Areas or improvements thereon, and may pay overdue premiums on hazard insurance policies, for the Common Areas. First Mortgagees making such payment shall be owed immediate reimbursement from the Association.
- (b) A First Mortgagee shall be entitled to cure any delinquency of the Owner of a Unit encumbered by its First Mortgage in the payment of Assessments. In that event, the First Mortgagee shall be entitled to obtain a release from the lien imposed or perfected by reason of such delinquency.

Section 19.3 <u>Development Rights</u>. Subject to the terms of this Declaration, Declarant hereby reserves for itself and its successors and assigns the right to create easements, permits, licenses and other property rights and reservations as in connection with the development of the Project, provided that Declarant will not materially modify the visibility of or public access to any Unit from the rest of the Project, provided, however, that all Owners by accepting a deed to a Unit shall be deemed to acknowledge that the property immediately adjoining the Project commonly known as 8<sup>th</sup> Street and the Grove Plaza are currently owned by certain other entities over which Declarant has no control and may be subject to future modifications, changes and development.

Section 22.4 <u>Number and Gender</u>. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.

Section 22.5 <u>Severability</u>. If any of the provisions of this Declaration or any clause, paragraph, section, sentence, phrase, or word or the application thereof in any circumstance shall be invalidated, such invalidity shall not affect the validity of the remainder of the Declaration, and the application of any such provision, paragraph, section, sentence, clause, phrase, or word in any other circumstance shall not be affected thereby.

Section 22.6 <u>Consent to Record</u>. The undersigned, who are the record owners of the Real Property, consents to the recordation of this Declaration and Parcel Map in the official land records of Ada County, Idaho.

Section 22.7 Naming Constructs. To identify certain elements of the Project, Declarant has utilized certain names, references, and phrases such as "US Bank Plaza", "Multimodal Center", "Clearwater Building", and "Centre Building" both out of convenience and pursuant to certain other contractual agreements that Declarant, or its affiliates have previously entered into. In the future, it is anticipated that for various economic or contractual reasons, these elements may utilize different names, references or phrases. In the event of such changes, it shall not be necessary or required to amend this Declaration, all successors to Declarant and all future Owners acknowledging that the naming of the various elements is not material as such are used solely for convenience and in satisfaction of certain contractual requirements. Moreover, for example only, and not limitation, there is no "Unit 11" as that would be typographically confusing. Additionally, due to (i) nuanced and varied interpretations of Idaho law; (ii) current contractual requirements; (iii) requests by other parties; and (iv) the complexity of developing the Project together without assurance about how and when lenders, approving authorities, and other future users of the Project would come together in agreement, the Parcel Map and the Association are referenced as "U.S. Bank Plaza". The use of the phrase "U.S. Bank Plaza," or any derivative thereof, shall not be interpreted to constitute any ownership of US Bank or any control by US Bank. Neither the Parcel Map, nor this Declaration, nor the name of the Association shall be required to be amended in the event US Bank, VRT, Clearwater Analytics, or the Greater Boise Auditorium District, cease to occupy any portion of the Project. The use of the respective names is immaterial, and taking ownership of the Units created by this Declaration evidences the conclusive agreement of the Owner to the foregoing.

#### **BOISE STATE UNIVERSITY**

#### **SUBJECT**

Release of Reservation in Grant Deed on Real Property Previously Conveyed by Idaho State Board of Education (Board) as Board of Trustees for Boise State University (BSU) to the College of Western Idaho (CWI).

#### REFERENCE

June 26, 2009

Grant Deed from Board/BSU to CWI. BSU previously executed a Grant Deed conveying certain real property in Nampa, Idaho to CWI for the CWI Nampa campus.

#### APPLICABLE STATUTE, RULE OR POLICY

Idaho State Board of Education Governing Policies and Procedures, Section V.I.5.b.ii and iii

#### **BACKGROUND/DISCUSSION**

In 2009, BSU conveyed the CWI Nampa Campus to CWI via the Grant Deed (Attachment 1). The Grant Deed contained the following reservation in favor of BSU (Reservation):

RESERVATION OF GRANTOR. It is hereby understood and stipulated that this property must forever be used for public educational purposes and whenever the property hereby conveyed ceases to be used exclusively for public community college, or education-related auxiliary purposes, by Grantee, its successors and assigns, that said property and all improvements then situate on such property shall automatically revert to Grantors, its successors and assigns, without cost, charge or payment of any kind as fully and effectually as if this deed had not been made or executed.

Idaho Power Company (Idaho Power) owns a parcel of land which is approximately 8.8 acres on the corner of Cherry Lane and Idaho Center Boulevard in Nampa, Idaho (Idaho Power Exchange Parcel) as depicted on Attachment 3. Idaho Power originally intended to construct its Can-Ada Substation power substation on the Idaho Power Exchange Parcel. The CWI Nampa Campus is located south of the Idaho Power Exchange Parcel and is adjacent to and parallel with Idaho Center Boulevard as depicted on Attachment 3. If Idaho Power constructs the Can-Ada Substation on the Idaho Power Exchange Parcel, Idaho Power must install high voltage power lines along Idaho Center Boulevard and within the utility easement located on the CWI Nampa Campus.

Rather than constructing the Can-Ada Substation on the Idaho Power Exchange Parcel, and installing high voltage power lines along Idaho Center Boulevard within the utility easement on the CWI Nampa Campus, Idaho Power proposed to CWI that CWI convey approximately 2.08 acres of the CWI Nampa Campus (CW Exchange Parcel) to Idaho Power as depicted on Attachment 3 and as legally described on Attachment 4. In exchange, Idaho Power would convey the Idaho Power Exchange Parcel to CWI. As part of the conveyance of the CWI Exchange Parcel to Idaho Power, Idaho Power requires that CWI grant Idaho Power an access easement to the CWI Exchange Parcel and certain power line easements over portions of the CWI Nampa Campus.

#### **IMPACT**

Idaho Power's use of the CWI Exchange Parcel is for the construction of the Can-Ada Substation, and will not be used for public educational purposes. Accordingly, upon the conveyance of the CWI Exchange Parcel to Idaho Power, such property will cease to be used exclusively for public community college, or education-related auxiliary purposes which is required by the Grant Deed, and the Reservation will apply per its terms, so that the ownership of the CWI Exchange Parcel, and theoretically, the ownership of the entire CWI Nampa Campus would revert to BSU. BSU does not need the CWI Exchange Parcel or any of the remainder of the CWI Nampa Campus at this time, to further its educational purposes.

Additionally, and in consideration of BSU's release of the Reservation, Idaho Power has agreed to install underground (rather than above-ground) power lines from the Can-Ada Substation to BSU's property (BSU Parcel) as depicted on Attachment 3 in order to preserve the development potential of the property for a BSU west campus.

Because the easement serves to encumber the BSU property upon which the Advanced Technology Service Center, or the "TeCenter" was developed through a federal grant opportunity, BSU has sought and received consent for the power transmission line easement from the US Department of Education (Economic Development Administration).

#### STAFF COMMENTS AND RECOMMENDATIONS

This is a request by BSU to a) release its reservation interest in 2.08 acres of the CWI Nampa Campus, and b) provide a ten foot wide underground power transmission line easement to Idaho Power along the southern boundary of the BSU Parcel.

As noted under the Impact statement, the Release of Reservation in Grant Deed affects only 2.08 acres of the CWI Nampa Campus and in executing the Release of Reservation in Grant Deed; the BSU Parcel will receive underground, rather than above-ground, power lines set forth in Attachment 5.

Staff recommends approval.

#### **IDAHO STATE UNIVERSITY**

#### **SUBJECT**

Remodel Turner Dining Hall

#### APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Policies & Procedures, Section V.K.1.

#### BACKGROUND/DISCUSSION

Idaho State University (ISU) is requesting Idaho State Board of Education (Board) approval to proceed with a design-build construction project to allow Chartwells, the contractor who holds the current dining contract with ISU, to remodel the Turner/Garrison Dining Hall Facility. The project would be accomplished with non-state funds in the amount of \$1,175,000.

Included in this project are a new pizza station, grill and serving areas. Additionally, this project includes new ceiling and lighting in areas over the serving counter/stations, new entry control point for card swipes for all-you-can-eat dining, a new wall system, resilient tile and stone flooring, painting, wall coverings, specialty equipment, casework, upgrades to the existing HVAC, plumbing, electrical and fire suppression systems, and a banquette for directing traffic in and out of the facility and maintaining control for paying customers.

The entire project is being accomplished by Chartwells in-house team of design professionals and contractors. This project is similar to the work that was done at the Pond Student Union Dining Facility several years ago and is in alignment with the Chartwells contract with Idaho State University.

This is not an academic space project; rather, an upgrade to an auxiliary function for dining near the Turner Dormitory Building. The current Chartwells contract is in place until 2021. At that time, ISU has the option to renew or terminate the contract. All improvements to the dining facility will be left in place in either case.

#### **IMPACT**

This construction project will be 100% funded by Chartwells in the amount of \$1,175,000.

#### STAFF COMMENTS AND RECOMMENDATIONS

The proposed project, which would be carried out with funding provided by a non-State entity, will also need to be reviewed and approved by the Permanent Building Fund Advisory Council, if the Board approves the project. Staff recommends approval.

#### **SUBJECT**

Authorization for issuance of general revenue refunding bonds.

#### **REFERENCE**

September 2004 The Idaho State Board of Education (Board) approved

issuance of general revenue bonds to finance the acquisition of the land and improvements comprising

University Place in Idaho Falls.

August 2007 The Board approved issuance of general revenue

bonds to finance construction of an addition to Reed Gym complex and to purchase and renovate a building in Meridian formerly owned by the Meridian School

#### APPLICABLE STATUTE, RULE, OR POLICY

Idaho State Board of Education Governing Polices & Procedures, Section V.F. Idaho Code, Section 33-3804

#### **BACKGROUND/DISCUSSION**

Idaho State University (ISU) is seeking approval to refinance certain outstanding bonds. The Series 2016 Bonds would be issued by ISU to (i) refund certain outstanding bonds of ISU to achieve debt service savings and (ii) pay the costs of issuance of the Series 2016 Bonds. The Series 2016 Bonds would be issued solely for refinancing purposes; there are no new capital projects or other new funding related to the Series 2016 Bonds.

#### **IMPACT**

The refunding of the Series 2004B and Series 2007 in the aggregate principal amount of approximately \$13,695,000 would result in a debt service net present value savings in the amount of approximately \$1,433,000.

- (b) *Mandatory Sinking Fund Redemption*. The Series 2016 Bonds may be subject to mandatory sinking fund redemption as described in the Terms Certificate
- (c) Notice of Redemption. When the Series 2016 Bonds are called for redemption, notice must be sent by the Trustee, postage prepaid, by first-class mail not less than thirty (30) nor more than sixty (60) days prior to the redemption date to the registered owners of the Series 2016 Bonds to be redeemed at the address shown on the Bond Register. The Trustee shall give further notice of redemption at the same time as notice to Registered Owners by posting the notice to the Municipal Securities Rulemaking Board's EMMA website; provided, however that no defect in such further notice or failure to give all or any portion of such further notice will in any manner defeat the effectiveness of a call for redemption.
- (d) <u>Conditional Notice of Redemption.</u> In addition to the items required by the Resolution, each notice of redemption may further state, in the case of optional redemption, that such redemption shall be conditioned upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Series 2016 Bonds to be redeemed and that if such moneys shall not have been so received said notice shall be of no force and effect and such Series 2016 Bonds shall not be required to be redeemed. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.
- Section 2.8 Form of Series 2016 Bonds. The form of the Series 2016 Bonds is attached to this Supplemental Resolution as Exhibit A and is incorporated herein by this reference.

#### Section 2.9 Book-Entry Only System.

(a) The Series 2016 Bonds shall initially be registered on the Bond Register in the name of Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Series 2016 Bonds, except in the event the Trustee issues Replacement Bonds as provided below. It is anticipated that during the term of the Series 2016 Bonds, the Securities Depository will make book-entry transfers among the DTC Participants and receive and transmit payments of principal of and interest on the Series 2016 Bonds until and unless the Trustee authenticates and delivers Replacement Bonds to the Beneficial Owners as described below. So long as any of the Series 2016 Bonds are registered in the name of Cede & Co, as nominee of the DTC, all payments with respect to principal of, premium, if any, and interest on the Series 2016 Bonds and all notices with respect to the Series 2016 Bonds shall be made and given in the manner provided in the Representations Letter.

- (b) If the Securities Depository determines to discontinue providing its services with respect to the Series 2016 Bonds and the University cannot obtain a qualified successor Securities Depository, or if the University determines not to use the Book-Entry System of the Securities Depository, the University shall execute and the Trustee shall authenticate and deliver one or more Series 2016 Bond certificates (the "Replacement Bonds") to the DTC Participants in principal amounts and maturities corresponding to the identifiable Beneficial Owners' interests in the Series 2016 Bonds, with such adjustments as the Trustee may find necessary or appropriate as to accrued interest and previous calls for redemption, if any. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Series 2016 Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Trustee, to the extent applicable with respect to such Replacement Bonds.
- (c) With respect to Series 2016 Bonds registered in the name of Cede & Co. as nominee for the Securities Depository, neither the University nor the Trustee shall have any responsibility to any Beneficial Owner with respect to:
  - (i) the sending of transaction statements, or maintenance, supervision, or review of records of the Securities Depository;
  - (ii) the accuracy of the records of the Securities Depository or Cede & Co. with respect to any ownership interest in the Series 2016 Bonds;
  - (iii) the payment to any Beneficial Owner, or any person other than the Securities Depository, of any amount with respect to principal of, interest on, or redemption premium, if any, on the Series 2016 Bonds; or
  - (iv) any consent given or other action taken by the Securities Depository or Cede & Co. as owner of the Series 2016 Bonds.
- (d) The University has executed and delivered to DTC the Representations Letter with respect to Bonds issued under the Resolution. Such Representations Letter is for the purpose of effectuating the initial Book-Entry System for the Series 2016 Bonds through DTC as Securities Depository and shall not be deemed to amend, supersede or supplement the terms of this Resolution which are intended to be complete without reference to the Representations Letter. In the event of any conflict between the terms of the Representations Letter and the terms of this Supplemental Resolution, the terms of this Supplemental Resolution shall control. The Securities Depository may exercise the rights of a Registered Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.
- Section 2.10 <u>Successor Securities Depository</u>. In the event the Securities Depository resigns, is unable to properly discharge its responsibilities or is no longer

**BAHR - SECTION II** 

qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable state or federal statute or regulation, the Trustee, with the written consent of the University, may appoint a successor Securities Depository, provided the Trustee receives written evidence satisfactory to the Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable state or federal statute or regulation. Upon the appointment of a successor Securities Depository, the Trustee shall cause the authentication and delivery of Series 2016 Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 2.11 <u>Further Authority</u>. The Vice President for Finance and Administration and Bursar or any authorized designee thereof and such other officers of the Board or University as may be required, are hereby authorized and directed to execute all such certificates, documents and other instruments as may be necessary or advisable to provide for the issuance, sale, registration and delivery of the Series 2016 Bonds, including, without limitation, the Official Statement and the Terms Certificate. The Vice President for Finance and Administration and Bursar may also determine whether to have the Series 2016 Bonds insured and to include in the Terms Certificate the provisions needed to implement such insurance.

### Section 2.12 <u>Tax Exemption of Bonds</u>.

- (a) The University's Vice President for Finance and Administration and Bursar is hereby authorized and directed to execute such Tax Certificates as shall be necessary to establish that (i) the Series 2016 Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations, (ii) the Series 2016 Bonds are not and will not become "private activity bonds" within the meaning of Section 141 of the Code, (iii) all applicable requirements of Section 149 of the Code are and will be met, (iv) the covenants of the University contained in this Section 2.12 will be complied with and (v) interest on the Series 2016 Bonds is not and will not become includible in gross income for federal income tax purposes under the Code and applicable Regulations.
- (b) The Board and the University covenant and certify to and for the benefit of the Series 2016 Bondholders from time to time of the Series 2016 Bonds that:
  - (i) the University will at all times comply with the provisions of any Tax Certificates;
  - (ii) the University will at all times comply with the rebate requirements contained in Section 148(f) of the Code, including, without limitation, the entering into any necessary rebate calculation agreement to provide for the calculations of amounts required to be rebated to the United States, the keeping of records necessary to enable such calculations to be

made and the timely payment to the United States, of all amounts, including any applicable penalties and interest, required to be rebated;

- (iii) no use will be made of the proceeds of the issue and sale of the Series 2016 Bonds, or any funds or accounts of the University which may be deemed to be proceeds of the Series 2016 Bonds, pursuant to Section 148 of the Code and applicable Regulations, which use, if it had been reasonably expected on the date of issuance of the Series 2016 Bonds, would have caused the Series 2016 Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code;
- (iv) the University will not use or permit the use of any of its facilities or properties in such manner that such use would cause the Series 2016 Bonds to be "private activity bonds" described in Section 141 of the Code:
- (v) no bonds or other evidences of indebtedness of the University that are reasonably expected to be paid out of substantially the same source of funds as the Series 2016 Bonds have been or will be issued, sold or delivered within a period beginning 15 days prior to the sale of the Series 2016 Bonds and ending 15 days following the delivery of the Series 2016 Bonds, other than the Series 2016 Bonds; and
- (vi) the University will not take any action that would cause interest on the Series 2016 Bonds to be or to become ineligible for the exclusion from gross income of the Series 2016 Bondholders of the Series 2016 Bonds as provided in Section 103 of the Code, nor will it omit to take or cause to be taken, in timely manner, any action, which omission would cause interest on the Series 2016 Bonds to be or to become ineligible for the exclusion from gross income of the Series 2016 Bondholders of the Series 2016 Bonds as provided in Section 103 of the Code.

Pursuant to these covenants, the Board and the University obligate themselves to comply throughout the term of the issue of the Series 2016 Bonds with the requirements of Section 103 of the Code and the Regulations proposed or promulgated thereunder.

The Board has previously adopted tax compliance procedures relating to tax-exempt bonds.

KNOW ALL MEN BY THESE PRESENTS that Idaho State University, a body politic and corporate and an institution of higher education of the State of Idaho (the "University"), for value received, hereby promises to pay, from the Bond Fund hereinafter defined, to the registered owner identified above, or registered assigns, on the maturity date specified above, the principal sum indicated above, and to pay interest thereon from the Bond Fund from the dated date hereof, or the most recent date to which interest has been paid or duly provided for, at the rate per annum specified above, payable on October 1, 2016, and semiannually on each April 1 and October 1 thereafter, until the date of maturity or prior redemption of this Bond. Interest shall be calculated on the basis of a 360-day year and twelve 30-day months.

This Bond is an obligation of the University payable solely in accordance with the terms hereof and is not an obligation, general, special, or otherwise of the State of Idaho, does not constitute a debt, legal, moral, or otherwise, of the State of Idaho, and is not enforceable against the State, nor shall payment hereof be enforceable out of any funds of the University other than the revenues, fees, and charges pledged thereto in the Resolution (defined herein). Pursuant to the Resolution, certain revenues have been pledged and will be set aside into the Bond Fund (as defined in the Resolution) to provide for the prompt payment of the principal of, interest on, and redemption price of the Bonds of which this

Bond is a part. For a more particular description of the Bond Fund, the revenues to be deposited therein, and the nature and extent of the security afforded thereby, reference is made to the provisions of the Resolution.

The principal of, premium, if any, and interest on this Bond are payable in lawful money of the United States of America to the registered owner hereof whose name and address shall appear on the registration books of the University (the "Bond Register") maintained by the Corporate Trust Department of U.S. Bank National Association (the "Trustee"). Interest shall be paid to the registered owner whose name appears on the Bond Register on the fifteenth day of the calendar month next preceding the interest payment date, at the address appearing on the Bond Register, and shall be paid by check or draft of the Trustee mailed to such registered owner on the due date at the address appearing on the Bond Register, or at such other address as may be furnished in writing by such registered owner to the Trustee. Principal shall be paid to the registered owner upon presentation and surrender of this Bond at the Principal Office trust office of the Trustee, on or after the date of maturity or prior redemption.

This Bond is one of the General Revenue Refunding Bonds, Series 2016, of the University (the "Series 2016 Bonds") issued under the provisions of Chapter 38, Title 33 and Section 57-504, Idaho Code, for the purpose of providing funds with which to (i) refund certain outstanding bonds of the University (the "Refunded Bonds") and (ii) pay issuance expenses properly incident thereto. The principal of, interest on, and redemption price of the Series 2016 Bonds are payable from revenues and funds of the University pledged therefor and certain other fees and revenues, as more particularly set forth in the Resolution.

The Series 2016 Bonds are issuable as fully registered bonds without coupons in Authorized Denominations of \$5,000 or any integral multiple in excess thereof. Subject to the limitations and upon payment of the charges, if any, provided in the Resolution, Bonds may be exchanged at the Principal Office of the Trustee for a like aggregate principal amount of Series 2016 Bonds of other Authorized Denominations.

This Series 2016 Bond is transferable by the Holder hereof, in person, or by its attorney duly authorized in writing, at the Principal Office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the

Resolution, and upon surrender and cancellation of this Series 2016 Bond. Upon such transfer a new fully registered Bond or Bonds of like tenor in Authorized Denominations, for the same aggregate principal amount, will be issued to the transferee in exchange herefor.

Each Bond shall bear interest from the interest payment date to which interest has been paid as of the date on which it is authenticated or, if it is authenticated on or before the first interest payment date, from the Issue Date; provided, however, that if, at the time of authentication of any Bond, interest is in default on Outstanding Bonds, such Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the Outstanding Bonds. Both the principal of and premium, if any, on the Series 2016 Bonds shall be payable upon surrender thereof at the Principal Office of the Trustee.

Interest on the Series 2016 Bonds will be paid on each interest payment date provided that if any interest payment date is not a Business Day, such interest shall be paid as provided above on the next succeeding Business Day with the same effect as if made on the day such payment was due. Interest on the Series 2016 Bonds shall bear interest from and including the Issue Date until payment of the principal or redemption price thereof has been made or provided for on the due date thereof, whether at maturity, upon redemption or otherwise.

redemption amounts, if any, for the Series 2016 Bonds in such order of mandatory sinking fund date as shall be directed by the University.]

The Series 2016 Bonds shall not be transferable or exchangeable except as set forth in the Resolution.

This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing upon presentation and surrender of this Bond at the Principal Office of the Trustee. Upon such transfer, a new Bond, of the same denomination, maturity, and interest rate will be issued to the transferee in exchange therefor.

Reference is hereby made to the Resolution for the covenants and declarations of the University and other terms and conditions under which this Bond and the Series 2016 Bonds of this issue have been issued. The covenants contained herein and in the Resolution may be discharged by making provisions at any time for the payment of the principal of and interest on this Bond in the manner provided in the Resolution.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Resolution until the Certificate of Authentication hereon shall have been manually signed by the Trustee.

IT IS HEREBY CERTIFIED AND DECLARED that all acts, conditions, and things required by the Constitution and statutes of the State of Idaho to exist, to have happened, been done, and performed precedent to and in the issuance of this Bond have happened, been done, and performed, and that the issuance of this Bond and the Series 2016 Bonds of this issue does not violate any Constitutional, statutory, or other limitation upon the amount of bonded indebtedness that the University may incur.

IN WITNESS WHEREOF, the Board of Trustees of Idaho State University (the "Board"), has caused this Bond to be executed by the manual or facsimile signature of the President of the Board and of the Vice President for Finance and Administration and Bursar of the University and attested by the manual or facsimile signature of the Secretary of the Board, and a facsimile or original of the official seal of the University to be imprinted hereon, as of the dated date set forth above.

NEW ISSUE - Issued in Book-Entry-Only Form

Rating: Moody's "\_\_\_" (See "Rating" herein)

In the opinion of Ballard Spahr LLP, Bond Counsel to Idaho State University, (the "University"), interest on the Series 2016 Bonds is excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Series 2016 Bonds, assuming the accuracy of the certifications of the University and continuing compliance by the University with the requirements of the Internal Revenue Code of 1986. Interest on the Series 2016 Bonds is not a preference item for purposes of either individual or corporate federal alternative minimum tax; however, interest paid to corporate holders of the Series 2016 Bonds may be indirectly subject to AMT under circumstances described under "TAX MATTERS" herein. Bond Counsel is also of the opinion that, under currently existing laws, interest on the Series 2016 Bonds is exempt from State of Idaho income taxes. See "TAX MATTERS" herein.

#### **Idaho State University**

Idaho State University (the "University") is a publicly supported multi-disciplinary institution of higher education located in Pocatello, Idaho. It has served the citizens of the State of Idaho (the "State") since 1901, when it was first established as the Academy of Idaho. It was renamed the Idaho Technical Institute in 1915 and reorganized as the Southern Branch of the University of Idaho in 1927. It became Idaho State College in 1947, and was established as Idaho State University in 1963. The University is governed by the State Board of Education, whose members serve as the Board of Trustees for the University (the "Board"). In addition to the University Place campus in Idaho Falls, the University operates outreach centers in Meridian and Twin Falls.

#### Authorization and Purpose of the Official Statement

This Official Statement, including the cover page and the financial and other information contained in the Appendices hereto, is furnished in connection with the offering of the University's General Revenue Refunding Bonds, Series 2016 (the "Series 2016 Bonds"). The University is authorized by the Educational Institutions Act of 1935, Chapter 38, Title 33 Idaho Code, together with Section 57-504 of the Idaho Code, as amended (together, the "Act"), to issue bonds to refund bonds previously issued by the University. The Series 2016 Bonds are being issued pursuant to such statutory authorization and pursuant to the supplemental resolution (the "Supplemental Resolution") adopted by the Board on February 18, 2016. The Series 2016 Bonds are being issued as "Additional Bonds" under a bond resolution adopted September 17, 1992, as amended and restated on August 12, 2004 (the "Original Resolution"). The Original Resolution, together with the Supplemental Resolution and the previous supplemental resolutions authorizing the issuance of Additional Bonds, are referred to collectively herein as the "Resolution."

-

<sup>\*</sup> Preliminary; subject to change.

#### **Purpose of the Series 2016 Bonds**

The Series 2016 Bonds are being issued by the University to (i) refund certain outstanding bonds of the University to achieve debt service savings and (ii) pay the costs of issuance of the Series 2016 Bonds. See "PLAN OF REFUNDING" herein.

#### **Outstanding Parity Bonds**

Pursuant to the Original Resolution, to provide funds to finance and refinance certain projects, the University has previously issued various series of bonds, a portion of which are currently outstanding (collectively, the "Outstanding Parity Bonds"). The Series 2016 Bonds will be issued on a parity with the Outstanding Parity Bonds and any additional bonds, notes or other obligations that may be issued from time to time under the Original Resolution (the "Additional Bonds"), such that the Series 2016 Bonds, Outstanding Parity Bonds and Additional Bonds will be payable from and secured by an equal lien pledge of the Pledged Revenues (defined herein). See "SECURITY FOR THE SERIES 2016 BONDS" herein. The Series 2016 Bonds, the Outstanding Parity Bonds and any Additional Bonds are collectively referred to herein as the "Bonds."

#### Payment and Security for the Series 2016 Bonds

The Series 2016 Bonds are secured on a parity with the Outstanding Parity Bonds by a pledge of the Pledged Revenues, as designated by the Board, including the University's Tuition Fee, formerly referred to as the Matriculation Fee (the "Tuition Fee"), the Student Facilities Fee/Facilities (the "Student Facilities Fee/Facilities"), Revenues of the Housing System and CAES Base Rent, (as defined in the Resolution), all investment income derived from the Revenue Fund and the Bond Fund, and proceeds from the sale of a series of bonds and money and investment earnings thereon. Hereinafter, the Tuition Fee and the Student Facilities Fee/Facilities are referred to collectively as the "Pledged Fees." See "SECURITY FOR THE SERIES 2016 BONDS" herein.

#### Redemption

The Series 2016 Bonds are subject to optional redemption as described under the caption "THE SERIES 2016 BONDS—Redemption" herein.

#### **Bondowners' Risks**

The purchase of the Series 2016 Bonds involves investment risks, certain of which are described in this Official Statement.

#### THE SERIES 2016 BONDS

#### **Description of the Series 2016 Bonds**

The Series 2016 Bonds will be dated the date of their delivery and are issuable in fully registered form, bookentry-only, in the aggregate principal amount of \$\_\_\_\_\_\*. The Series 2016 Bonds bear interest from the date of issuance, payable semiannually on April 1 and October 1 of each year, commencing October 1, 2016. Payment will be made to Beneficial Owners through the Book-Entry-Only System described below. For a further description of certain terms of the Resolution authorizing the issuance of the Series 2016 Bonds, please refer to "APPENDIX B—SUMMARY OF THE RESOLUTION."

#### Redemption

Optional Redemption. The Series 2016 Bonds maturing on or prior to April 1, \_\_\_\_\_, are not subject to redemption prior to their stated dates of maturity. The Series 2016 Bonds maturing on or after April 1, \_\_\_\_\_, are subject to redemption prior to maturity at the option of the University in whole or in part on any date on and after April 1, \_\_\_\_\_, and if in part, in such order of maturity as may be directed by the University at a redemption price equal to 100% of the principal amount of the Series 2016 Bonds to be redeemed plus accrued interest to the date of redemption.

#### **Notice of Redemption**

When the Series 2016 Bonds are called for redemption notice must be sent by the Trustee, postage prepaid, by first-class mail not less than thirty-five (35) nor more than sixty (60) days prior to the redemption date to the registered owners of the Series 2016 Bonds to be redeemed at the address shown on the Bond Register. As provided in the Resolution, the Trustee may give further notice of redemption at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to certain registered national securities depositories and national information services; provided, however that no defect in such further notice or failure to give all or any portion of such further notice will in any manner defeat the effectiveness of a call for redemption.

Each notice of redemption may further state, in the case of optional redemption, that such redemption shall be conditioned upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Series 2016 Bonds to be redeemed and that if such moneys shall not have been so received said notice shall be of no force and effect and such Series 2016 Bonds shall not be required to be redeemed. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Trustee shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.

#### **Book-Entry-Only System**

The Series 2016 Bonds will be available only in book-entry-only form in the principal amounts shown on the inside cover page of this Official Statement. DTC will act as Securities Depository for the Series 2016 Bonds. The ownership of one fully registered Series 2016 Bond for each maturity as set forth on the inside cover page of this Official Statement, in the aggregate principal amount of each maturity of the Series 2016 Bonds, will be registered in the name of Cede & Co., as nominee for DTC. See "APPENDIX F—PROVISIONS REGARDING BOOK-ENTRY-ONLY SYSTEM."

#### **Funds and Accounts Created under the Resolution**

The Revenue Fund. The Resolution creates the Revenue Fund to be held by the University into which Pledged Revenues shall be deposited. Monies in the Revenue Fund shall be disbursed in the following order of priority:

\_

Preliminary; subject to change.

- 1. To transfer to the Trustee for deposit in the Debt Service Account of the Bond Fund for payment of any interest, principal or redemption premium, if any, coming due on the Bonds;
- 2. Amounts remaining in the Revenue Fund in excess of the amounts necessary to make payments required by subsection (1) above may be applied by the University, free and clear of the lien of the Resolution, for any other lawful purpose of the University.

<u>The Bond Fund</u>. The Resolution creates a Bond Fund consisting of a Debt Service Account held by the Trustee to be used for paying the principal of, premium, if any, and interest on the Bonds.

<u>The Construction Fund</u>. The Resolution provides for a Construction Fund to be held, disbursed and invested by the University, into which proceeds from any series of Bonds issued to fund Projects being built or acquired with a series of Bonds issued under the Resolution are deposited. Upon completion of a Project, any unexpended monies held in the Construction Fund will be transferred to the Debt Service Account of the Bond Fund.

<u>The Series 2016 Bonds Cost of Issuance Fund</u>. The Supplemental Resolution creates the Series 2016 Bonds Cost of Issuance Fund to be held by the University to pay costs of issuance of the Series 2016 Bonds.

The Rebate Fund. The Resolution creates a Rebate Fund to be held and administered by the University, separate and apart from other funds and accounts of the University. The University shall make deposits into the Rebate Fund of all amounts necessary to make payments to the United States required under the Code.

#### **Additional Bonds**

The Resolution currently provides that Additional Bonds (such as the Series 2016 Bonds) secured by Pledged Revenues may be issued by the University upon the satisfaction of various conditions specified therein. The amount of Additional Bonds that may be issued is not limited by law.

The Resolution provides for the issuance of Additional Bonds to finance Projects or to refund the Bonds or Additional Bonds issued under the Resolution upon satisfaction of certain conditions.

In connection with the issuance of Additional Bonds to finance Projects, the University is required to file, among other things, the following documents with the Trustee:

- 1. a copy of the Supplemental Resolution authorizing such Additional Bonds;
- 2. a certificate of the University to the effect that, upon the delivery of the Additional Bonds, the University will not be in default in the performance of any of the covenants, conditions, agreements, terms or provisions of the Resolution or any of the Bonds;
- 3. a Written Certificate of the University signed by an Authorized Officer of the University, setting forth the then estimated completion date and the then estimated cost of construction of the Project(s), if any, being financed by the Additional Bonds:
- 4. either (a) an Accountant's Certificate which demonstrates that, for any twelve-month period in the preceding twenty-four months, Revenues Available for Debt Service shall have equaled at least 110% of the Maximum Annual Debt Service for all Bonds then Outstanding and any Additional Bonds proposed to be issued; or
- (b) a Written Certificate of the University showing that Estimated Revenues Available for Debt Service (assuming completion of the proposed Project on its then estimated Completion Date) will equal at least 110% of the Maximum Annual Debt Service on all Bonds then Outstanding and the Additional Bonds proposed to be issued for (i) each of the fiscal years of the University during which any of the Bonds will be Outstanding following the estimated completion date of the Project being financed by the Additional Bonds, if interest during construction of the Project being financed by the Additional Bonds is capitalized; or (ii) the University's current fiscal year and any succeeding fiscal year during which any of the Bonds will be Outstanding, if interest during construction of the Project being financed by the Additional Bonds is not capitalized.

In addition to Additional Bonds issued to finance Projects as described above, the University may issue Additional Bonds (such as the Series 2016 Bonds) for the purpose of refunding any Outstanding Parity Bonds, provided that the Debt Service in each year on the refunding bonds does not exceed by more than \$25,000 the Debt Service on the Bonds to be refunded.

#### **Payment Agreements**

As described in "APPENDIX B" hereto, under the caption "Payment Agreements," the University is permitted under the Resolution to enter into swaps and other derivatives (as described in the definition of Payment Agreements contained therein) under requirements substantially similar to those for the issuance of Additional Bonds and taking into account the payments and receipts expected with respect to the Payment Agreement. The University currently has no Payment Agreements outstanding and currently has no intent of entering into a Payment Agreement within the foreseeable future.

#### **SECURITY FOR THE SERIES 2016 BONDS**

The Series 2016 Bonds are secured by Pledged Revenues pursuant to the Resolution on a parity with all Bonds issued under the Resolution. Pledged Revenues include: (i) Pledged Fees; (ii) Revenues of the Housing System and CAES Base Rent; (iii) other revenues of other University enterprises or sources of funds as shall be designated by the Board; (iv) any investment income derived from the Revenue Fund and the Bond Fund; and (v) proceeds from the sale of a series of Bonds and money and investment earnings thereon. In addition, the University has covenanted that Revenues Available for Debt Service will equal 110% of Annual Debt Service on a year by year basis. See also "HISTORICAL PLEDGED REVENUES AND DEBT SERVICE" herein. Pledged Revenues do not include State appropriations, which by law cannot be pledged.

#### **Pledged Fees**

The Board is empowered to establish and collect tuition charges for students attending the University and to establish and collect student fees from both resident and non-resident students. The Pledged Fees consist of the University's two largest fees, the Tuition Fee, formerly referred to as the Matriculation Fee (the "Tuition Fee") and the Student Facilities Fee/Facilities (the "Student Facilities Fee/Facilities"). Student fees and tuition charges are not subject to a referendum by students or approval by any other governmental entity. The Board has established a policy that the University may not request more than a 10% annual increase in the total full-time student fees unless otherwise authorized by the Board. Although Board policy provides that fee changes will be considered when appropriate or necessary, the Board has traditionally adjusted fees annually, with fee adjustments effective for the subsequent fall term each year. The 2015-2016 fee schedule, which was approved by the Board at the June 18, 2015 Board meeting, is attached as "APPENDIX C—STUDENT FEE AND TUITION SCHEDULE." See "SOURCES OF FUNDING FOR THE UNIVERSITY—Fees and Tuition" for a comparison of full-time fees over the fiscal years 2011 through 2015

<u>Tuition</u>. Tuition is an existing fee charged to full-time and part-time students attending the University and is pledged under the Resolution. The Tuition Fee was previously referred to (including in the Resolution) as the Matriculation Fee. This fee is used to provide general operating revenues for the University. For the 2014-15 academic year, the Tuition fee was \$2,454.51 per semester for each full-time student and \$279.96 per semester-hour for part-time and summer-session students. The Tuition fee for the 2015-2016 academic year was \$2,552.53 per semester for each full-time student and \$290.00 per semester-hour for part-time and summer-session students. The University received \$81,234,000 in Revenues from Tuition in the fiscal year ended June 30, 2015, and expects to receive approximately \$82,234,000 in the fiscal year ending June 30, 2016.

Student Facilities Fee/Facilities. The Student Facilities Fee/Facilities is an existing student fee charged to full-time students established by the Board and constitutes a portion of Pledged Revenues under the Resolution. For the fiscal years 2015 and 2016, the Student Facilities Fee/Facilities rate is \$255.00 per student, per semester for full-time students, and produced revenue of \$4,105,412 for the fiscal year ending June 30, 2015, and is expected to produce \$4,100,000 for the fiscal year ending June 30, 2016.

#### **Revenues of the Housing System**

The University owns and operates all student housing facilities on the Pocatello campus. See "THE UNIVERSITY—Student Housing" herein. Housing fees for residence hall residents for the 2015-2016 academic year range from \$1,330.00 to \$2,100.00 per semester per student. Meal plans, in which freshmen and sophomore housing residents are required to participate range from \$1,501.00 to \$1,945.00 per semester. Revenues of the Housing System for the fiscal years ending June 30, 2014 and June 30, 2015 were \$6,013,914 and \$6,294,932 respectively, and are expected to be approximately \$6,350,000 for the fiscal year ending June 30, 2016. As the Resolution provides for a pledge of the Revenues of the Housing System for payment of debt service prior to the payment of operation and maintenance costs of the Housing System, these numbers reflect gross revenues of the Housing System. The Housing System has shown increasing profits on a net revenue basis for each of the past four fiscal years (fiscal years 2012-2015) and is on schedule to maintain this trend for fiscal year 2016.

#### **CAES Project and CAES Lease Payments**

In 2006, the University issued its General Revenue Bonds (Federally Taxable), Series 2006 (the "Series 2006 Bonds") to finance the construction of a facility to house the Center for Advanced Energy Studies at the Idaho Falls Center for Higher Education Campus (the "CAES Project"), which jointly occupied by a consortium of the three Idaho research universities and Battelle Energy Alliance, LLC ("BEA"). Pursuant to a Lease Agreement dated as of October 23, 2006 between the University and BEA (the "CAES Lease"), the University has leased to BEA approximately 70% of the CAES Project and BEA has agreed to pay lease payments (the "CAES Lease Payments") which are intended to equal the payments of principal and interest on the Series 2006 Bonds. Under certain circumstances, payment of the CAES Lease Payments under the CAES Lease is guaranteed by Battelle Memorial Institute and the Washington Group International. The consortium remains in place with all members intact. The CAES Lease Payments have, to date, been made as scheduled. For the 2015 fiscal year, the CAES Lease Payments total approximately \$850,000 and are expected to total \$850,000 for the 2016 fiscal year.

#### Use of Pledged Revenues and Other Revenues Not Otherwise Obligated

After the University has made the payments and deposits required under the Resolution, amounts remaining in the Revenue Fund in excess of the amounts necessary to make the required payments thereunder may be used for any legal purpose of the University, including the redemption or purchase of the Bonds, subject to policies adopted by the Board.

#### **Limited Obligation**

The Series 2016 Bonds are limited obligations of the Board and do not constitute a debt or liability of the State of Idaho, its Legislature, or any of its political subdivisions or agencies other than the University and then only to the extent herein described. The University is not authorized to levy or collect any taxes or assessments other than the revenues and fees described herein to pay the Series 2016 Bonds. The University has no taxing power.

#### PLAN OF REFUNDING

A portion of the proceeds from the sale of the Series 2016 Bonds is being used to provide funds sufficient to refund certain outstanding bonds of the University to achieve debt service savings. See "ESTIMATED SOURCES AND USES OF FUNDS" set forth below.

#### THE UNIVERSITY

Idaho State University, a Carnegie-classified doctoral research and teaching institution founded in 1901, attracts students from around the world to its Idaho campuses. At the main campus in Pocatello, Idaho and at locations in Meridian, Idaho Falls and Twin Falls, the University offers access to high-quality education and training in more than 280 programs. Approximately 18,070 students attend the University throughout the academic year with 13,569 enrolled as of fall 2015 end of term.<sup>1</sup> The University is housed in approximately 100 buildings on 1,140 acres in the city of Pocatello, which serves as an economic center for the southeastern part of the State.

The University serves a diverse population that includes traditional students entering the University directly from high school, non-traditional students who have delayed their university education, working professionals and senior citizens. The University provides both general education and specialized programs in the arts, humanities, sciences, the professions and technologies. Bachelor's and master's degrees are awarded in a variety of fields by the Colleges of Arts and Letters, Business, Education, Science and Engineering, Technology, as well as the Graduate School and the Division of Health Professions. Terminal degrees offered include: Master of Business Administration; Master of Fine Arts; Doctor of Pharmacy; Doctor of Philosophy; Doctor of Arts; and Doctor of Education. Through its programs in pharmacy, health professions and the Family Practice Medical Residency, the University is a center for education in the health professions. The University also has the first Dental Residency Program and the first and only Dentistry Degree Program in the State.

Total unique student enrollments of approximately 18,070 for all terms for the entire fiscal year includes part-time students, as well as, students enrolled in non-traditional programs such as high school dual enrollment, work-force training, and less-than-semester-length programs. The fall 2015 end of term headcount of 13,569 students represents an increase of 486 students from the fall 2015 10th day headcount noted in the Five-Year Historical Enrollment Summary below due to continuing education and Early College Program students who enroll after the 10th day.

#### **Student Body**

The University admits all Idaho residents who graduate from accredited high schools in the State with an overall grade point average of at least 2.5, or who received a math score of at least 18 on the ACT or 490 on the SAT, an English score of at least 18 on the ACT or 500 on the SAT writing exam, and who have successfully met all Idaho Core Requirements and statewide admission standards established by the Board. Approximately 81% of the University's end of term fall 2015 student body were residents of Idaho. The table below sets out certain statistics concerning the University's enrollment for the fall terms of the years indicated. The majority of the University's students attend its main Pocatello campus; approximately 80% of fall 2015 enrollment, measured by head count, were located on the Pocatello campus. The remaining 20% are located on the Idaho Falls, Meridian, and Twin Falls campuses.

While the University's main campus in southeast Idaho serves students with a wide variety of programs in many locations through a variety of traditional and technological strategies, the University provides educational services to students in communities throughout the State. Many students take courses in more than one location; for example, they might complete general education requirements with the University in the Snake River Valley or Magic Valley, before completing a program on the main campus in Pocatello. Most off-site students are traditional, full-time undergraduate students, but many are mid-career professionals seeking new skills or other educational fulfillment by taking individual courses.

The University's Early College Program offers academic enrichment opportunities for qualified high school students. Dual or concurrent enrollment allows high school students to enroll in college level courses while continuing their high school courses and activities.

As the preceding information illustrates, full-time undergraduate enrollment at the University, based upon full-time equivalents (FTE), has declined 347 FTE from fall 2011 to fall 2015. The University has experienced notable increases in enrollment categories where fees tend to be higher such as international students. International student enrollment increased by 921 students from fall 2011 enrollment of 502 to fall 2015 enrollment of 1,423.

To improve enrollment numbers, the University has implemented ongoing enhanced recruitment, retention and student success efforts. Following are brief descriptions of some of the University's most important efforts in this area:

- Idaho State University named Scott Scholes as the Associate Vice President of Enrollment Management effective April 1, 2015. Formerly the dean of students at the College of Southern Idaho (CSI). Mr. Scholes is responsible for leading the University's new undergraduate enrollment management units and strategies. This new Enrollment Management unit brings together Admissions, Advising, Financial Aid, Registration and Records, Scholarships and other services to streamline student recruitment and retention. One of the first initiatives is to implement a new Customer Relations Management system (CRM) to increase enrollment.
- The Early College Program, which offers college credit courses to high school students, launched a new era at the University with a presence on Facebook and Twitter and is exploring additional delivery methods for dual enrollment courses, including online and teleconferencing. These developments, along with an increased focus on articulation agreements with high schools in southeast Idaho, have resulted in increases in Early College Program end of term headcount enrollment by 21% for fall 2015 (1,565 students in fall 2012 to 1,887 students in fall 2015).

- The new Career Path Internship program, which targets campus employment opportunities to student career paths, has been vastly expanded from \$300,000 in fiscal year 2011, to \$2.3 million in fiscal year 2016. The program currently has over 800 student interns.
- Additional initiatives include new credit-transfer and online articulation tools that provide online access to specific transfer credit and course information. A new transfer evaluation system provides a faster and streamlined process for transfer evaluation, facilitating transfer of credits from other schools. The University Veterans Sanctuary assists veterans with program selection and course registration, GI Bill educational benefits, and the transition from military to campus life. The University has developed targeting recruiting efforts to veterans nationwide.
- The University also shares its story through various media outlets. In addition to commercial advertising, the University publishes the *Idaho State University Magazine*. The University is the only university in the State to produce a television show that airs statewide on a major network. "Idaho State of Mind," a weekly 30-minute broadcast over Idaho Public Television, features the faculty and events at the University. The University also markets through the radio on a monthly program, "First Monday Forum," which showcases the best events and expertise at the University. The University is also growing its social media presence and it currently connects to nearly 7,000 alumni, students and friends through Facebook.
- The University purchased a new Content Management System (CMS) to upgrade its existing website and improve marketing, outreach, and student recruitment. Migration to the new CMS began in fall 2015, and the first 2,000 pages will go "live" in late February 2016. The CMS allows the University to update content in a timely manner and follow brand guidelines. CMS trainings and workshops began last year, and additional department trainings will continue over the next 12 months. The cost of the CMS, including consultancy fees, totaled \$95,000.

The University's fall-to-fall retention rates for first-time, degree-seeking undergraduates has continued to improve from 62.0% in fiscal year 2012 to 71.3% in fiscal year 2015. Increases in student retention have occurred because of the efforts of Central Advising and the Student Success Center.

### **Degrees Conferred**

The University anticipates awarding approximately 2,300 total degrees in 2016 and has awarded the following degrees in the preceding five years:

#### **Student Housing**

The University operates a dormitory system consisting of six traditional residence halls accommodating up to 855 students, most of whom are undergraduates. The residence halls include traditional dormitory style rooms (555 beds) and suite-style residences (300 beds, grouped in 78 3- and 4-bedroom units). The residence halls are intended primarily for freshmen and sophomores and offer a strong community atmosphere and student interaction through educational, social, and cultural programming. The University's residency hall charges are adjusted annually to an amount deemed necessary by University officials to pay operation, maintenance and debt amortization expenses.

Meal plans are required for all freshmen and sophomores living in the residence halls. Meal plans are optional for juniors, seniors and graduate students, as well as for all students 21 years and older. Students can use their meal

plan at the Garrison-Turner Dining Hall, Rendezvous Food Court, and the Pond Student Union. The food service operations are provided through a management contract with Chartwells.

The University currently has six on-campus apartment complexes, with a total of 319 rental units (including approximately 1,500 beds). These apartments consist of a mix of efficiency, studio, one and two bedroom rental units. Apartments are available to non-traditional students and students who have already completed their first year at the University. Rental charges are collected monthly and continuing students are allowed to remain in the apartments during the summer term, even if the student does not attend summer sessions. Rental rates are reviewed and adjusted at the end of each fiscal year.

For the past five years the average occupancy rate for the residence halls is 81% and for the on-campus apartments is 93%.

All of the dormitory and apartment facilities of the University are professionally maintained and kept in a sound state of repair. The University has no current plans to construct additional housing facilities.

#### **Employees**

During the 2014-2015 academic term, the University had 594 full-time faculty, 476 full-time non-classified professionals, 559 full-time classified employees and 32 full-time health residents, for a grand total of 1,661 full-time employees. The University is not a party to any collective bargaining agreement, although there are employee associations that bring issues and concerns to the attention of the University. The University considers its relations with its employees to be good.

#### **Employee Retirement Benefits**

All benefit eligible employees, which consist of employees who work 20 or more hours per week for five consecutive months, must enroll in one of two retirement plans—the State's "Public Employees' Retirement System of Idaho" ("PERSI") or the "Optional Retirement Program" ("ORP"), which is a plan offered to faculty and non-classified staff effective 1990 and thereafter.

PERSI The University's classified employees, including faculty hired prior to July 1, 1990, are covered under PERSI. Additionally, new faculty and professional staff who are vested in PERSI have the option of remaining in or returning to PERSI with written affirmation of this decision within 60 days of employment. PERSI is the administrator of a multiple-employer cost-sharing defined benefit public employee retirement system. A retirement board (the "PERSI Board"), appointed by the governor and confirmed by the legislature, manages the system, including by selecting investment managers to direct the investment, exchange and liquidation of assets in the managed accounts and establishing policies for asset allocation and other investment guidelines. The PERSI Board is charged with the fiduciary responsibility of administering the plan.

On July 1, 2015, PERSI had 67,008 active members, 29,827 inactive members (of which 11,859 are entitled to vested benefits), and 42,657 annuitants. PERSI collects contributions from employees and employers to fund retirement, disability, death and separation benefits, as provided by Chapter 13, Title 59, Idaho Code. As of July 1, 2015, there were 139,492 Idaho public employees, retirees or beneficiaries who were PERSI members.

As of July 1, 2015, PERSI's actuarial value of assets totaled \$13,956,700,000 and the actuarial liabilities funded by PERSI totaled \$15,446,900,000. This means that, as of July 1, 2015, PERSI was 90.4% funded. GASB Statement 25 (Reporting Standards for Defined Benefit Pension Plans) has replaced Projected Benefits Obligations ("PBO") as the measure of pension plan funding status. As required by GASB Statement 25, the PERSI Schedule of Funding Progress shows a funded ratio of 119.4% of the PERSI Base Plan. The funded ratio includes the effect of a mandated cost of living adjustment (COLA), but not the additional discretionary COLA. The Schedule of Employer Contributions shows that PERSI employers have contributed at least 100% of the Actuarially Required Contributions (ARC).

For general members of PERSI, as of July 1, 2015, the employer contribution rate in effect is 11.32% of pay and the employee contribution rate is 6.79%.

The University's required and paid contributions to PERSI for the fiscal year ended June 30, 2015 was \$2,897,140.

PERSI issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained at www.persi.idaho.gov/documents/investments/FY15/AR-FY2015.pdf. No representation is made herein as to the accuracy of this report.

ORP. Faculty and non-classified staff hired on or after July 1, 1990 have been enrolled in ORP, and faculty and staff hired before that date were offered a one-time opportunity in 1990 to withdraw from PERSI and join the ORP. The ORP is a portable, multiple-employer, defined contribution retirement plan with options offered by Teachers' Insurance and Annuity Association/College Retirement Equities Fund (TIAA/CREF) and Variable Annuity Life Insurance Company (VALIC). The total contribution rate is the same for all employees, with a portion of the employer's contribution for ORP members being credited to the employee's account and a portion to the PERSI unfunded liability until 2025.

Contribution requirements for the ORP are based on a percentage of total payroll. The University's contribution rate for the fiscal year ending June 30, 2015 is 9.24% of covered payroll, which is the same contribution rate for fiscal years ended June 30, 2013 and 2014.

For the fiscal years ended June 30, 2013 through 2015, the University's required and paid contributions to ORP were \$5,913,986, \$5,964,369, and \$6,264,020, respectively. The employee contribution rate for the current fiscal year is 6.96% of covered payroll, which is the same as the contribution rate for the fiscal years ended June 30, 2014 and 2015. These employer and employee contributions, in addition to earnings from investments, fund the ORP benefits. The University has no additional obligation to fund ORP benefits once it makes the required contributions at the applicable rate. The University has made all contributions that it is required to make to ORP to date.

For a further discussion of the University's retirement plans and certain other employment obligations, see "APPENDIX D—FINANCIAL STATEMENTS OF THE UNIVERSITY FOR THE YEARS ENDED JUNE 30, 2014 AND 2015 AND INDEPENDENT AUDITOR'S REPORT—Footnote 10. Optional Retirement Plans and Termination Payments" and Footnote 11. Pension Plan."

The effect of GASB 68 on the net position of the University is stated in Footnote #2 of the attached ISU FY15 Financial Statements in Appendix D.

#### **Other Post-Employment Benefits**

The University participates in other post-employment benefit plans relating to health and disability that are administered by the State of Idaho as agent, and it participates in a single-employer defined benefit life insurance plan. Idaho Code establishes the benefits and contribution obligations relating to these plans. The most recent actuarial valuation relating to these benefits is as of June 30, 2014. At June 30, 2015, the University had approximately \$18,507,000 in unfunded accrued liability. The University's annual required contribution for the fiscal year ending June 30, 2015, was approximately \$1,796,000 of which the University contributed approximately \$689,000. The University has not set aside any assets to pay future benefits; the University funds these benefits on a pay-as-you-go basis. Additional details regarding these benefits can be found in APPENDIX D—FINANCIAL STATEMENTS OF THE UNIVERSITY FOR THE YEARS ENDED JUNE 30, 2014 AND 2015 AND INDEPENDENT AUDITOR'S REPORT—Note 12. Postemployment Benefits Other Than Pensions."

#### Insurance

Through the State of Idaho Risk Management Program, the University maintains liability and property, and employee fidelity insurance in amounts deemed adequate by State and University officials. The University has a risk management staff that coordinates insurance coverage and claims with the State of Idaho Risk Management Program

officials, and reviews the adequacy of such coverage and verifies the University's compliance with applicable agreements. As of April 30, 2015, the total insured replacement value of the University's buildings, contents and improvements was approximately \$98,920,202.

#### **Budget Process**

The University operates on an annual budget system. Its fiscal year begins July 1 of each year. The budget process, as well as the administration of the expenditures authorized through the process, is administered through the office of the President and Vice President for Finance and Administration, in collaboration with the departmental faculty and administrative officers. The internal budget process begins with a general budget proposal for the following fiscal year being submitted in consolidated form by the University Administration to the Board in August of each year.

The University's operating budget is approved by the Board prior to the commencement of the fiscal year, usually at its June meeting. At that meeting, the Board, serving also as the governing boards for the other institutions of higher education, approves the annual budgets for those institutions, as well.

#### SOURCES OF FUNDING FOR THE UNIVERSITY

The University relies on a number of sources of funding to achieve its educational and research missions. The principal sources of revenues are: direct appropriation of State revenues by the Idaho Legislature, the fees and tuition it charges its students, federal government appropriations, grants and contracts, gifts to the University, revenues derived from investments and property holdings of the University, and the revenues derived from the sale of certain products and services managed or owned by the University. These revenue sources are more fully discussed below.

#### **State Appropriations**

Legislatively approved State general account and State endowment appropriations represent approximately 40% of the University's total revenues for fiscal year 2016. Such revenues are not pledged as security for the Bonds. The Legislature meets in the beginning of January of each calendar year and sets budgets and appropriations for all agencies and departments of State government for the fiscal year, beginning the following July. The Legislature may also make adjustments to budgets and appropriations for the fiscal year during which the Legislature is meeting. If in the course of a fiscal year prior to the commencement of the legislative session, the Governor determines that the expenditures authorized by the Legislature for the current fiscal year exceed anticipated revenues expected to be available to meet those expenditures, the Governor by executive order may reduce ("Holdback") the spending authority on file in the office of the Division of Financial Management for any department, agency or institution of the State or request a reversion ("Reversion") of appropriations back to the State to balance the State budget. The most recent Holdbacks occurred during fiscal year 2012; there were no Reversions for that year. There have been no Holdbacks or Reversions since fiscal year 2012. The table below sets forth the legislative appropriations from the State General Fund for all higher education institutions and for the University, net of one-time funding, Reversions and Holdbacks.

Source: The University; based on legislative appropriations (excluding State endowments) for the years 2011-2015.

As shown in the preceding chart, State appropriations have declined largely as a result of the economic downturn the State and nation as a whole have experienced. From the expenditure perspective, the University developed a financial plan to actively pare down costs, streamline processes, and implement new approaches and controls to monitor and address the budget reductions. All of these initiatives remain in place and are active. From the revenue perspective, the University, out of necessity, has increased tuition and fees, while moving to impact students as little as possible. The University continues to leverage other revenue sources as well, including research and partnering activities, more self-support programs, auxiliaries, and fundraising. As a result of these efforts, even in the face of the budget declines, the University has experienced solid increases in net assets over the past several years (see financial statements in APPENDIX D).

#### **Tuition and Fees**

A major component of funding for the University is student tuition and fees, which, for the academic year 2015-2016 are \$3,392.00 total per semester for full-time undergraduate, resident students (of this amount, only the tuition portion (\$2,552.53) and the Student Facilities Fee/Facilities (\$255.00) are Pledged Fees). Non-resident students pay per-semester non-resident tuition of \$6,699.00 in addition to the undergraduate tuition and fees (this additional tuition is not a Pledged Fee). Additional dedicated fees are charged to students enrolled in graduate programs, pharmacy, physical and occupational therapy, graduate level nursing, graduate level counseling, and the Idaho Dental Education program.

The University expects tuition and fees for all students and additional tuition for non-resident students to increase in the future in response to generally higher costs of operating the University.

The University assesses and collects a variety of fees from students enrolled at the University. Board approval for most of these student fees is required, but the Board has delegated to the University President approval of certain institutional student fees. The Board may assess fees at any time during the year, and has authority to establish the fees unilaterally, without review or approval by the students, the State, or any other governmental or regulatory body. In practice, however, the Board sets the Board-approved student fees annually. Prior to the Board meeting at which fees are set, public hearings concerning the fees are held and student participation is actively solicited.

The following table shows per semester full-time fees from fiscal year 2012 through fiscal year 2016. Pledged Fees are shown in bold.

<sup>(1)</sup> Amounts have been rounded.

#### **Financial Aid**

Direct financial aid to students, primarily in the form of student loans, scholarships, grants, student employment, awards, tuition waivers, fee reductions and waivers, and deferred payments, is available. The University believes that the amount of available financial aid, which totaled approximately \$101,874,550 in the fiscal year ended June 30, 2015, is adequate to enable students who desire to attend the opportunity to do so. During the 2014-2015

Budgeted amounts approved by the Board in its June 2015 meeting.

fiscal year, the direct financial aid to students in the form of scholarships and grants was approximately \$38,430,735 and in the form of loans was \$63,443,815.

The following table shows financial aid for students from fiscal year 2011 through 2015

| Financial Aid                                     | <u>2010-2011</u> | <u>2011-2012</u> | <u>2012-2013</u> | <u>2013-2014</u> | <u>2014-2015</u> |

#### **Grants and Contracts**

The United States government and various other public and private sponsoring agencies, through various grant and contract programs, provide a substantial percentage of the University's current fund revenues. The use of such funds is usually restricted to specific projects and is not included in the budget for the University. Such revenues include grants and contracts for research, public service, instruction and training programs, fellowships, scholarships, endowment scholarship programs, student aid programs, and grants for construction projects. The University believes it has complied with all material conditions and requirements of these various grants and contracts. Such revenues are not pledged as security for the Bonds.

#### **Auxiliary Enterprises**

Auxiliary enterprise sales and services revenues represents income earned by the University on its income-producing operations such as the University's bookstore, housing, student health center, food service, athletic facility, student union and certain other operations. A portion of these revenues (specifically, revenues of the Housing System) are pledged as security for the Bonds. See "HISTORICAL PLEDGED REVENUES AND DEBT SERVICE" above.

#### **Sales and Services**

Various University departments provide services and products to the student body and, in some instances, to the community for which payment is received. Such revenues are not pledged as security for the Bonds.

### Idaho State University Foundation, Inc.

The ISU Foundation is a nonprofit corporation organized under Idaho law in 1967. Its purpose is to receive, manage and otherwise deal in property and apply the income, principal and proceeds of such property for the benefit of the University. A 25-member board of directors manages the ISU Foundation. William M. Eames, William Eames and Associates, serves as President of the ISU Foundation.

Financial information concerning the ISU Foundation is contained in Note 14 to the University's financial statements included in "APPENDIX D" hereto. The total fair value of the Foundation's investments at June 30, 2015 was \$53,918,842, of which \$38,967,296 represent Permanent Endowments.

The ISU Foundation issued its Multi-Mode Variable Rate Revenue Bonds on May 30, 2001 (the "ISU Foundation Bonds") in the amount of \$22,170,000 for the construction, furnishing, equipping and improving of certain real and personal property comprising the L.E. and Thelma Stephens Performing Arts Center. The ISU Bonds have a final maturity date of May 1, 2021 and are secured by donations, pledges and other funds held under the bond indenture relating to these bonds. The total interest expense on the ISU Foundation Bonds during 2015 was \$98,505. The outstanding balance on these bonds as of June 30, 2015 was \$5,600,000. The revenues pledged to the payment of the ISU Foundation Bonds are not pledged as security for the Bonds and the Revenues securing the Bonds are not pledged under the indenture securing the ISU Foundation Bonds.

#### **Future Capital Plans**

The University has an on-going capital improvement program of new construction and the renovation of existing facilities. Capital improvement projects are expected to be funded from a variety of sources, including gifts, state appropriations, and University funds. The University currently has no plans to incur additional indebtedness or undertake any major capital projects in the next 24 to 36 months.] The University may not undertake any capital project or long-term financing without prior Board approval.

#### **University Debt**

Prior to the issuance of the Series 2016 Bonds, the University had \$49,082,000 of indebtedness, including \$49,082,000 of Bonds outstanding secured by Pledged Revenues and \$1,287,044 in a note payable as of June 30, 2015. Set forth below is the University's schedule of outstanding indebtedness as of June 30, 2015 and a proforma of Bonds outstanding, assuming the issuance of the Series 2016 Bonds and the refunding of the Refunded Bonds.

The University also has a note payable in the amount \$1,287,044, which is scheduled to be paid in full on Sept 1, 2016.

#### **Other Obligations**

The University implemented an enterprise resource planning ("ERP") system in order to provide increased integration and functionality for the University. Koch Financial Corporation was selected as the financing institution based on its expertise in financing information system installations and comparisons with other vendors.

#### UNIVERSITY GOVERNANCE AND ADMINISTRATION

The responsibility for overall management and determination of University policy and standards is vested with the Board of Trustees of Idaho State University who also serve as the Idaho State Board of Education and simultaneously, among other duties, as the Regents of the University of Idaho, the Trustees for Boise State University

and Lewis-Clark State College in Lewiston and as the State Board for Professional-Technical Education. The Governor appoints seven of the members to the Board for five-year terms. The elected State Superintendent of Public Instruction serves ex officio as the eighth member of the Board for a four-year term. The membership, terms, residences and occupations of the current board members are listed below.

#### TAX MATTERS

Federal Income Tax. In the opinion of Ballard Spahr LLP, Bond Counsel to the University, interest on the Series 2016 Bonds is excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Series 2016 Bonds, assuming the accuracy of the certifications of the University and continuing compliance by the University with the requirements of the Internal Revenue Code of 1986. Interest on the Series 2016 Bonds is not an item of tax preference for purposes of either individual or corporate federal alternative minimum tax ("AMT"); however, interest on Series 2016 Bonds held by a corporation (other than an S corporation, regulated investment company, or real estate investment trust) may be indirectly subject to federal AMT because of its inclusion in the adjusted current earnings of a corporate holder.

<u>Original Issue Premium</u>. Certain of the Series 2016 Bonds may be offered at a premium ("original issue premium") over their principal amount. For federal income tax purposes, original issue premium is amortizable periodically over the term of a Series 2016 Bond through reductions in the holder's tax basis for the Series 2016 Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Amortization of premium does not create a deductible expense or loss. Holders should consult their tax advisers for an explanation of the amortization rules.

<u>Original Issue Discount</u>. Certain of the Series 2016 Bonds may be offered at a discount ("original issue discount") equal generally to the difference between public offering price and principal amount. Original issue discount on a Series 2016 Bond accrues as tax-exempt interest periodically over the term of the Series 2016 Bond. The accrual of original issue discount increases the holder's tax basis in the Series 2016 Bond for determining taxable gain or loss from sale or from redemption prior to maturity. Series 2016 Bondholders should consult their tax advisors for an explanation of the accrual rules.

<u>State of Idaho Income Tax</u>. Bond Counsel is also of the opinion that interest on the Series 2016 Bonds is exempt from State of Idaho income taxes under currently existing law.

<u>No Further Opinion</u>. Bond Counsel expresses no opinion regarding any other tax consequences relating to ownership or disposition of, or the accrual or receipt of interest on, the Series 2016 Bonds.

Changes in Federal and State Tax Laws. From time to time, there are Presidential proposals, proposals of various federal committees, and legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to herein or adversely affect the marketability or market value of the Series 2016 Bonds or otherwise prevent holders of the Series 2016 Bonds from realizing the full benefit of the tax exemption of interest on the Series 2016 Bonds. Further, such proposals may impact the marketability or market value of the Series 2016 Bonds simply by being proposed. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to Series 2016 Bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value, marketability or tax status of the Series 2016 Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Series 2016 Bonds would be impacted thereby.

Purchasers of the Series 2016 Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2016 Bonds, and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any proposed or pending legislation, regulatory initiatives or litigation.

#### **UNDERWRITING**

Piper Jaffray & Co. has entered into a distribution agreement with Charles Schwab & Co., Inc. ("CS&Co") for the retail distribution of certain securities offerings at the original issue price less a negotiated portion of the selling concession applicable to any Series 2016 Bonds that CS&Co sells.

#### **RATING**

Moody's Investors Service ("Moody's") has assigned their municipal bond ratings of "A1" with a "stable outlook" to the Series 2016 Bonds.

Such rating reflect only the view of Moody's. Any explanation of the significance of the rating may only be obtained from Moody's. The above rating is not a recommendation to buy, sell or hold the Series 2016 Bonds.

There is no assurance such rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by Moody's, if in the judgment of such rating agency, circumstances so

warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Series 2016 Bonds.

The University has other issues of General Revenue Bonds outstanding which are rated by other rating agencies. No application has been made to any other rating agency for a rating on the Series 2016 Bonds. See "University Debt" for a description of other General Revenue Bonds issued by the University.

A failure by the University to comply with the Disclosure Agreement must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Series 2016 Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2016 Bonds and their market price.

#### GENERAL PROVISIONS RELATING TO THE BONDS

#### **Authorization of Bonds**

Bonds designated as "General Revenue Bonds" are authorized to be issued by the University under the Resolution. The maximum principal amount of the Bonds which may be issued under the Resolution is not limited; provided, however, that the University reserves the right to limit or restrict the aggregate principal amount of the Bonds which may at any time be issued or Outstanding under the Resolution. Bonds may be issued in such series as from time to time shall be established and authorized by the University subject to the provisions of the Resolution. The Bonds may be issued in one or more series pursuant to one or more Supplemental Resolutions. The designation of the Bonds shall include, in addition to the name "General Revenue Bonds," such further appropriate particular designation added to or incorporated in such title for the Bonds of any particular series as the University may determine. Each Bond shall bear upon its face the designation so determined for the series to which it belongs. Each Bond shall recite in substance that it is payable from and secured by the Pledged Revenues of the University pledged for the payment thereof.

#### **Terms of Bonds**

The principal of and interest on, and the redemption price of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the Trustee or of any Paying Agent at the option of a Registered Owner. Payment of interest on any fully registered Bond shall be (i) made to the Registered Owner thereof and shall be paid by check or draft mailed to the Registered Owner thereof as of the close of business on the Record Date at his address as it appears on the registration books of the Trustee or at such other address as is furnished to the Trustee in writing by such Registered Owner, or (ii) with respect to units of \$500,000 or more of Bonds, made by wire transfer to the Registered Owner as of the close of business on the Record Date next preceding the interest payment date if such Registered Owner shall provide written notice to the Trustee not less than 15 days prior to such interest payment date at such wire transfer address as such Registered Owner shall specify, except, in each case, that, if and to the extent that there shall be a default in the payment of the interest due on any interest payment date, such defaulted interest shall be paid to the Registered Owners in whose name any such Bond is registered at the close of business on the fifth Business Day next preceding the date of payment of such defaulted interest.

The Bonds of any series may be issued only in fully registered form without coupons in authorized denominations.

#### Transfer or Exchange of Bonds

Any Bond shall be transferable by the Registered Owner thereof in person, or by his attorney duly authorized in writing, upon presentation and surrender of such Bond at the principal corporate trust office of the Trustee for cancellation and issuance of a new Bond registered in the name of the transferee, in exchange therefor. Provided, however, that the Trustee shall not be required to transfer the Bonds within 15 calendar days of a principal or interest payment.

#### Lost, Stolen, Mutilated or Destroyed Bonds

In case any Bond shall be lost, stolen, mutilated or destroyed, the Trustee may authenticate and deliver a new Bond or Bonds of like date, denomination, interest rate, maturity, number, tenor and effect to the Registered Owner thereof upon the Registered Owner's paying the expenses and charges of the University and the Trustee in connection therewith and upon his filing with the University and the Trustee evidence satisfactory to the University and the Trustee of his ownership thereof, and upon furnishing the University and the Trustee with indemnity satisfactory to the University and the Trustee.

#### **Notice of Redemption**

- A. <u>Notice of Redemption</u>. Notice of any redemption of Bonds shall be sent by the Trustee by first-class mail, postage prepaid, not less than thirty-five (35) nor more than sixty (60) days prior to the date fixed for redemption, to the Registered Owner of each Bond to be redeemed at the address shown on the Bond Register. This requirement shall be deemed to be complied with when notice is mailed as herein provided, regardless of whether or not it is actually received by the Registered Owner of any Bond to be redeemed.
- B. <u>Effect of Redemption</u>. When so called for redemption, such Bonds shall cease to accrue interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time, and such Bonds shall not be deemed to be Outstanding as of such redemption date.
- C. <u>Open Market Purchase</u>. The University reserves the right to purchase the Bonds on the open market at a price equal to or less than par. In the event the University shall purchase Bonds at a price (exclusive of accrued interest) of less than the principal amount thereof, the Bonds so purchased shall be credited at the par amount thereof against the Debt Service requirement next becoming due. In the event the University shall purchase term Bonds at a price (exclusive of accrued interest) of less than the principal amount thereof, the term Bonds so purchased shall be credited against the Mandatory Redemption Amounts next becoming due. All Bonds so purchased shall be cancelled.

#### **Additional Bonds**

The University reserves the right to issue Additional Bonds, including the Series 2016 Bonds, secured equally and ratably with outstanding Bonds under the Resolution by a pledge of (i) Pledged Revenues and (ii) the funds established by the Resolution, upon the conditions set forth in Article VII of the Resolution and as described in the Official Statement.

#### **Payment Agreements**

For purposes of this Payment Agreements Section, the following words have the following definitions:

- (1) "Payment" means any payment required to be made by or on behalf of the University under a Payment Agreement and which is determined according to a formula set forth in the Payment Agreement.
- (2) "Parity Payment Agreement" means a Payment Agreement under which the University's payment obligations are expressly stated to be secured by a pledge of and lien on Pledged Revenues on an equal and ratable basis with the Pledged Revenues required to be paid into the Bond Fund to pay and secure the payment of the principal of and interest on Outstanding Bonds.
- (3) "Payment Agreement" means a written agreement, for the purpose of managing or reducing the University's exposure to fluctuations or levels of interest rates, currencies or commodities or for other interest rate, investment, asset or liability management purposes, entered into on either a current or forward basis by the University and a Qualified Counterparty, all as authorized by any applicable laws of the State, such agreement may or may not be characterized by a structure of reciprocity of payment.
- (4) "Payment Agreement Payment Date" means any date specified in the Payment Agreement on which a Payment or Receipt is due and payable under the Payment Agreement.

- (5) "Receipt" means any payment (designated as such by a resolution) to be made to, or for the benefit of, the University under a Payment Agreement by the Payor.
- (6) "Payor" means a Qualified Counterparty to a Payment Agreement that is obligated to make one or more payments thereunder.
- (7) "Qualified Counterparty" means a party (other than the University or a party related to the University) who is the other party to a Payment Agreement that has or whose obligations are unconditionally guaranteed by a party that has at least an investment grade rating from Moody's and S&P and who is otherwise qualified to act as the other party to a Payment Agreement under any applicable laws of the State.

A Payment Agreement Payment made under a Payment Agreement may be on a parity of lien with the payment of the Bonds if the Payment Agreement satisfies the requirements for Additional Bonds as described in the Resolution, taking into consideration regularly scheduled Payment Agreement Payments and Receipts (if any) under the Payment Agreement.

The Payment Agreement may oblige the University to pay, on one or more scheduled and specified Payment Agreement Payment Dates, the Payments in exchange for the Payor's obligation to pay or to cause to be paid to the University, on scheduled and specified Payment Agreement Payment Dates, the Receipts. The University may also enter into Payment Agreements that are not reciprocated by the other party to the agreement.

If the University enters into a Parity Payment Agreement, Payments shall be made from the Debt Service Account and annual Debt Service shall include any regularly scheduled University Payments adjusted by any regularly scheduled Receipts during a fiscal year. Receipts shall be paid directly into the Debt Service Account. Obligations to make unscheduled payments, such a termination payments, may not be entered into on a parity with the Bonds. To the extent that a Parity Payment Agreement has been designated as a hedge of the interest rate features of either fixed rate bonds or Bonds bearing variable rates of interest, annual Debt Service during the term of such Parity Payment Agreement shall be modified to reflect such Parity Payment Agreement.

The University is not precluded from entering into Payment Agreements with a claim on Pledged Revenues junior to that of the Bonds or from entering into obligations on a parity with the Bonds in connection with the use of Payment Agreements or similar instruments if the University obtains an opinion of Bond Counsel that the obligations of the University thereunder are consistent with the Resolution.

The Pledged Revenues and other money in the Revenue Fund and the Bond Fund, if any, shall not, except as provided in the Resolution, be used for any other purpose while any of the Bonds remain Outstanding. The Trustee shall pay out of the Debt Service Account to the Registered Owners of the Bonds entitled to such payment on or before each Payment Date the amount of Debt Service payable on such date.

Amounts remaining in the Revenue Fund at any time in excess of the amounts necessary to make the payments required above may be applied by the University, free and clear of the lien of the Resolution, to the extent permitted by law, (i) to the redemption of Bonds, or (ii) for any other lawful purpose of the University.

#### **Events of Default**

If any one or more of the following Events of Default shall occur, it is an "event of default" under the Resolution:

- (1) failure to make the due and punctual payment of any Principal Installment of a Bond when and as the same shall become due and payable, whether at maturity, by call for redemption, or declaration or otherwise;
- (2) failure to make the due and punctual payment of any installment of interest on any Bond or any Mandatory Redemption Amount, when and as such interest installment or any Mandatory Redemption Amount shall become due and payable;
- (3) failure by the University to perform or observe any other of the covenants, agreements, or conditions on its part in the Resolution or in the Bonds contained, and such default shall continue for a period of thirty (30) days after written notice thereof to the University by the Trustee specifying such failure and requiring the same to be remedied;
- (4) a judgment for the payment of money shall be rendered against the University, and any such judgment shall not be discharged within one hundred twenty (120) days of the entry thereof, or an appeal shall not be taken therefrom or from the order, decree of process upon which or pursuant to which such judgment shall have been granted or entered, in such manner as to set aside or stay the execution of or levy under such judgment, or order, decree or process or the enforcement thereof;

- (5) dissolution or liquidation of the University or the filing by the University of a voluntary petition in bankruptcy, or the commission by the University of any act of bankruptcy, or adjudication of the University as a bankrupt, or assignment by the University for the benefit of its creditors, or the entry by the University into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the University in any proceeding for its reorganization instituted under the provisions of the federal bankruptcy act, as amended, or under any similar act in any jurisdiction which may now be in effect or which may hereafter be enacted;
- (6) if an order or decree shall be entered, with the consent or acquiescence of the University, appointing a receiver or receivers of a Project, or any part thereof, or if such order or decree, having been entered without the consent and acquiescence of the University, shall not be vacated or discharged or stayed within ninety (90) days after the entry thereof;
  - (7) any event of default specified in a Supplemental Resolution,

the Trustee (by thirty (30) days' written notice to the University), or the Registered Owners of not less than twenty-five percent (25%) of the Bonds then Outstanding (by notice in writing to the University and the Trustee) may (subject to limitations imposed by bond insurers) declare the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and be immediately due and payable, anything in the Resolution or in the Bonds contained to the contrary notwithstanding.

#### Application of Funds and Moneys in Event of Default

- A. If an Event of Default shall happen and shall not have been remedied, the University, upon demand of the Trustee, shall pay over or cause to be paid over to the Trustee (i) forthwith, all moneys, securities, and funds then held by the University in any Fund under the Bond Resolution, and (ii) all Pledged Revenues as promptly as practicable after receipt thereof.
- B. During the continuance of an Event of Default, the Trustee shall apply all moneys, securities, funds and Pledged Revenues received by the Trustee pursuant to any right given or action taken under the provisions of this Section as follows and in the following order:
  - (1) To the payment of the reasonable and proper compensation, charges, expenses and liabilities of the Trustee;
  - (2) To the payment of the amounts required for reasonable and necessary Operation and Maintenance Expenses as necessary, in the judgment of the Trustee, to prevent deterioration of the Project or loss of Pledged Revenues therefrom. For this purpose the books or record and accounts of the University relating to the Project shall at all times be subject to the inspection of the Trustee and its representatives and agents during the continuance of such Event of Default;
  - (3) To the payment of the interest and principal or redemption price then due on the Bonds as indicated in the Resolution.
- C. If and whenever all overdue installments of interest on the Bonds, together with the reasonable and proper charge, expenses and liabilities of the Trustee, and all other sums payable by the University under this Bond Resolution, including the principal and redemption price of and accrued unpaid interest on the Bonds which shall then be payable by declaration or otherwise, shall either be paid by the Trustee for the account of the University, or provision satisfactory to the Trustee shall be made for such payment, and all Events of Default under this Bond Resolution shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the University and the Trustee shall be restored, respectively, to their former positions and rights under this Bond Resolution. No such restoration of the University and the Trustee in their former positions and rights shall extend to or affect any subsequent Events of Default under this Bond Resolution or impair any right consequent thereon.

#### **Rights and Remedies of Registered Owners**

- A. No Registered Owner of any Bond shall have any right to institute any proceeding, judicial or otherwise, with respect to the Resolution, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless
  - (1) such Registered Owner has previously given written notice to the Trustee of a continuing Event of Default;
  - (2) the Registered Owners of not less than twenty-five percent (25%) in principal amount of the Bonds shall have made written request to the Trustee
    - (3) to institute proceedings in respect of such Event of Default in its own name as Trustee;
  - (4) such Registered Owners have offered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request;
  - (5) the Trustee for sixty (60) days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceedings; and
  - (6) no direction inconsistent with such written request has been given to the Trustee during such sixty-day period by the Registered Owners of a majority in principal amount of the Bonds; it being understood and intended that no one or more Registered Owner of Bond shall have any right in any manner whatever by virtue of, or by availing of, any provision of the Resolution to affect, disturb, or prejudice the rights of any other Registered Owner of Bonds, or to obtain or to seek to obtain priority or preference over any other Registered Owner, or to enforce any right under the Resolution, except in the manner therein provided and for the equal and ratable benefit of all the Registered Owners of Bonds.
- B. The Registered Owners of a majority in principal amount of the Outstanding Bonds shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, provided that:
  - (1) such direction shall not be in conflict with any rule of law or the Resolution,
  - (2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Registered Owners not taking part in such direction, and
  - (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

#### **DEFEASANCE**

#### **Discharge of Indebtedness**

A. If the University shall pay or cause to be paid, or there shall otherwise be paid, to the Registered Owners of all Bonds the principal of or redemption price, if applicable, and interest due or to become due thereon, if applicable, at the times and in the manner stipulated therein and in the Resolution, or such Bonds shall have been deemed to have been paid as provided in the Supplemental Resolution authorizing a series of Bonds, then the pledge of any Pledged Revenues, and other moneys, securities and funds pledged under the Resolution and all covenants, agreements and other obligations of the University to the Registered Owners, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the University to be prepared and filed with the University and, upon the request of the University, shall execute and deliver to the University all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the University all moneys or securities held by

it pursuant to the Resolution which are not required for the payment of principal or redemption price, if applicable, on Bonds.

B. Bonds or interest installments the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit by the University of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this section. All Outstanding Bonds of any series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (A) of this section if (1) in case any of said Bonds are to be redeemed on any date prior to their maturity, the University shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to mail to the Registered Owners of such Bonds, notice of redemption of such Bonds on said date, (2) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or redemption price, as applicable, and interest due and to become due, if applicable, on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, without adversely affecting the tax-exempt status of the interest (if any) on said Bonds taxable under the Code, and (3) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the University shall have given the Trustee in form satisfactory to it irrevocable instructions to mail, first class postage prepaid, a notice to the Registered Owners of such Bonds that the deposit required by (2) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal, or redemption price, as applicable and interest due and to become due if applicable on said Bonds.

#### APPENDIX C

#### STUDENT FEE AND TUITION SCHEDULE

The 2015-2016 fee schedule reflected an approximately 3.3 % overall increase to student fees from the 2014-2015 academic year, including an approximately 4.0% increase to Tuition. The 2015-2016 fee schedule reflects an approximately 4.7% overall increase to student fees from the 2014-2015 academic year, including an approximately 5.7% increase to Tuition.

The University bases the Estimated Annual Revenue to be collected from each of the fees on budgeting assumptions of the student fees approved for the current academic year (2015-2016 with the exception of fees from the summer session, which are based on the 2014-2015 fee schedule), and the number of full-time and part-time students for the previous academic year (2013-2014). The number of students obtained by dividing the Estimated Annual Revenue line items for full-time students on the fee schedules is less than the full-time equivalents and fall semester full-time enrollees for fall 2015 shown under the heading "THE UNIVERSITY—Five-Year Historical Enrollment Summary." This is consistent with historic budgeting assumptions, including consideration of the University's policy to provide fee waivers or discounts to certain scholarship recipients and to certain employees and spouses of certain employees. The University's estimates include certain assumptions concerning refunds, late fees and other variables in individual fees, such that the annual estimated revenues of each fee are not the numerical product of the fee rates times a constant number for students paying such fees, but nonetheless represent the University's best estimate of fee revenues.

As more fully discussed under the heading "THE UNIVERSITY—Five-Year Historical Enrollment Summary," the University's enrollment has remained relatively stable for the past three years. While the University is empowered to set fees and tuition, it cannot control the number of students enrolled in any year and continued, significant declines in enrollment could impact the ability of the University to collect sufficient Pledged Revenues to pay principal and interest on the Bonds. Pledged Fees are shown in bold on the following table.

Full-time undergraduate fees are charged to undergraduate students taking 12 or more credit hours. Full-time graduate fees are charged to graduate students taking nine or more credit hours. Part-time credit hour fees are charged to students taking fewer than full-time credit hours. For summer, the part-time credit hour fee is charged regardless of the number of credits.

#### FORM OF OPINION OF BOND COUNSEL

Upon the issuance of the Series 2016 Bonds, Ballard Spahr LLP, Bond Counsel to the University, proposes to issue its opinion in substantially the following form:

We have acted as bond counsel to Idaho State University (the "University") in connection with the issuance by the University of its General Revenue Refunding Bonds, Series 2016 in the aggregate principal amount of \$\_\_\_\_\_ (the "Series 2016 Bonds"). The Series 2016 Bonds are being issued pursuant to (i) Title 33, Chapter 38, and Section 57-504 of the Idaho Code, as amended; and (ii) a Resolution, adopted by the Board of Trustees of the University (the "Board") on September 17, 1992 and restated by the Board on August 12, 2004, as heretofore supplemented and amended and as further supplemented and amended by a supplemental resolution of the Board adopted on February 18, 2016 (collectively, the "Resolution"). The Series 2016 Bonds are being issued for the purpose of (i) refunding certain outstanding bonds of the University, and (ii) paying costs of issuance of the Series 2016 Bonds. Capitalized terms not otherwise defined herein shall have the meanings set forth in the Resolution.

Our services as bond counsel have been limited to the preparation of the legal proceedings and supporting certificates authorizing the issuance of the Series 2016 Bonds under the applicable laws of the State of Idaho and to a review of the transcript of such proceedings and certificates. As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation. Our examination has been limited to the foregoing as they exist or are in effect as of the date hereof. Our opinion is limited to the matters expressly set forth herein, and we express no opinion concerning any other matters.

Based on our examination and the foregoing, we are of the opinion as of the date hereof and under existing laws as follows:

- 5. The Resolution has been duly adopted by the Board and constitutes a valid and binding obligation of the University enforceable upon the University.
- 6. The Resolution creates a valid lien on the amounts pledged thereunder for the security of the Series 2016 Bonds.
- 7. The Series 2016 Bonds are valid and binding limited obligations of the University, payable solely from the Pledged Revenues and other amounts pledged therefor under the Resolution.
- 8. Interest on the Series 2016 Bonds is excludable from gross income for purposes of federal income tax under existing laws as enacted and construed on the date of initial delivery of the Series 2016 Bonds, assuming the accuracy of the certifications of the Board and the University and continuing compliance by the Board and the University with the requirements of the Internal Revenue Code of 1986. Interest on the Series 2016 Bonds is not an item of tax preference for purposes of either individual or corporate federal alternative minimum tax ("AMT"); however, interest on Series 2016 Bonds held by a corporation (other than an S corporation, regulated investment company, or real estate investment trust) may be indirectly subject to federal AMT because of its inclusion in the adjusted current earnings of a corporate holder.
  - 9. Interest on the Series 2016 Bonds is exempt from State of Idaho income taxes.

In rendering our opinion, we wish to advise you that:

(a) The rights of the Owners of the Series 2016 Bonds and the enforceability thereof and of the Indenture may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable, and their enforcement may also be subject to the application of equitable principles and the exercise of judicial discretion in appropriate cases;

| (b)              | We express no opinion herein as to the accuracy, adequacy, or completeness of the Official |
|------------------|--|
| Statement or any | other offering material relating to the Series 2016 Bonds; and                             |

(c) Except as set forth above, we express no opinion regarding any other tax consequences relating to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2016 Bonds.

Respectfully Submitted,

#### APPENDIX F

#### PROVISIONS REGARDING BOOK-ENTRY-ONLY SYSTEM

DTC will act as securities depository for the Series 2016 Bonds. The Series 2016 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Bond certificate will be issued for each maturity of the Series 2016 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2016 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2016 Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2016 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2016 Bonds, except in the event that use of the book-entry system for the Series 2016 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2016 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2016 Bonds with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2016 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2016 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2016 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2016 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Series 2016 Bonds may wish to ascertain that the nominee holding the Series 2016 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial

Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2016 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2016 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the University as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2016 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2016 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the University or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the University, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the University or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of DTC Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2016 Bonds at any time by giving reasonable notice to the University or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The University may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the University believes to be reliable, but the University takes no responsibility for the accuracy thereof.

  - (b) The Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next Annual Report of the Issuer, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer, as applicable. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(f), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. <u>Additional Information</u>. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. <u>Default</u>. In the event of a failure of the Issuer or the Dissemination Agent to comply with any provision of this Disclosure Agreement, any Bondholder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer or Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an "event of default" under the Resolution, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. <u>Duties Immunities and Liabilities of Dissemination Agent</u>. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and the Issuer agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

Section 12. <u>Beneficiaries</u>. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and the Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

Section 13. <u>Counterparts</u>. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 2. There is hereby created and established with the Escrow Agent a special and irrevocable escrow fund designated the "Idaho State University General Revenue Refunding Bonds, Series 2016, Escrow Fund" (the "Escrow Fund") to be held by the Escrow Agent, acting as escrow agent, as a trust fund for the benefit of the holders of the Refunded Bonds. The Escrow Fund shall be held by the Escrow Agent separate and apart from other funds of the Issuer or the Escrow Agent.

<u>Section 3.</u> All costs and expenses related to the issuance of the Series 2016 Bonds and the refunding of the Refunded Bonds shall be paid by the Issuer as provided in the Resolution.

Section 4. The Escrow Agent, acting in its capacity as escrow agent, agrees that the total Government Obligations and cash will be held in trust for the holders of the Refunded Bonds and irrevocably agrees to apply the amounts derived therefrom to the payment of the principal, premium, if any, and interest requirements on the Refunded Bonds through their final maturities or prior redemption dates.

### Section 5.

(a) The Escrow Agent agrees to transfer funds to the paying agent(s) of the Refunded Bonds to pay principal of and interest on the Refunded Bonds as aforesaid notwithstanding any failure by the Issuer to pay when due any further fees or expenses of the Escrow Agent or any Paying Agent relating to the Refunded Bonds. It is expressly understood that any such fees or expenses incurred by the Escrow Agent acting as escrow agent will be reimbursed by the Issuer as provided in this Section 5 and in Section 11 hereof.

- (b) The Issuer agrees to pay to the Escrow Agent upon the execution and delivery of this Agreement such amounts as may be necessary to pay the fees and expenses of the Escrow Agent acting as escrow agent.
- <u>Section 6.</u> Except as provided in Section 7 hereof, the Escrow Agent shall not have power or duty to invest any funds held under this Agreement or to sell, transfer, or otherwise dispose of or make substitutions of the Government Obligations.

### Section 7.

- (a) This Agreement may be amended or supplemented, the Government Obligations or any portion thereof or proceeds thereof sold, redeemed, invested, or reinvested, or proceeds thereof disbursed, in any manner (any such amendment, supplement, or direction to sell, redeem, invest, or disburse to be referred to as a "Subsequent Action"), upon submission to the Escrow Agent of each of the following:
  - (i) A certified copy of the proceedings of the Issuer authorizing the Subsequent Action and a copy of the document effecting the Subsequent Action signed by duly designated officers of the Issuer.
  - (ii) An opinion of bond counsel or tax counsel nationally recognized as having an expertise in the area of tax-exempt municipal bonds to the effect that the Subsequent Action will not cause the interest on the Series 2016 Bonds or Refunded Bonds to become taxable under the laws of the United States of America providing for taxation of income nor violate the covenants of the Issuer nor to cause the Series 2016 Bonds or the Refunded Bonds to become "arbitrage bonds" under Section 148 of the Internal Revenue Code of 1986, as amended, and that the Subsequent Action does not materially adversely affect the legal rights of the holders of the Series 2016 Bonds or the Refunded Bonds.
  - (iii) An independent report to the effect that the amounts (which will consist of cash or deposits on demand held in trust or receipts from direct full faith and credit obligations of the United States of America, not callable or redeemable at the option of the issuer thereof), available or to be available for payment of the Refunded Bonds will remain sufficient to pay when due all principal of and interest on the Refunded Bonds after the taking of the Subsequent Action.
- (b) Except as provided in Paragraph (a) hereof, all of the rights, powers, duties, and obligations of the Escrow Agent hereunder shall be irrevocable and shall not be subject to amendment by the Escrow Agent and shall be binding on any successor to the Escrow Agent during the term of this Agreement.
- (c) Except as provided in Paragraph (a) hereof, all of the rights, powers, duties, and obligations of the Issuer hereunder shall be irrevocable and shall not be subject to amendment by the Issuer and shall be binding on any successor to the

officials now comprising the members of the Issuer during the term of this Agreement.

Section 8. The Issuer hereby irrevocably instructs the Escrow Agent to direct the paying agent for the Series 2007 Refunded Bonds to mail a notice in substantially the form attached hereto as Exhibit B, to the holders of the Series 2007 Refunded Bonds, the Municipal Securities Rulemaking Board (electronically), ("MSRB") and the Bond Insurer for the Refunded Bonds, as applicable, that provisions for the retirement of all of the 2007 Refunded Bonds have been made as provided in this Agreement. Such notice shall be mailed by said paying agent as required and in accordance with the provisions of the proceedings which authorized the issuance of the Series 2007 Refunded Bonds as soon as practicable after the execution and delivery hereof.

Section 9. The Issuer hereby irrevocably elects that the Refunded Bonds be called for redemption on their respective Redemption Dates, at a redemption price of one hundred percent (100%) of the principal amount thereof to be redeemed plus accrued interest to the date of redemption.

The Issuer hereby irrevocably directs the Escrow Agent to instruct the paying agent for the Refunded Bonds on behalf of the Issuer, to mail notice of redemption of the Refunded Bonds as provided in the Resolution to the requested Owners of the Refunded Bonds and the Bond Insurer for the Refunded Bonds and to electronically post it to the MSRB. All moneys on deposit in the Escrow Fund shall be transferred by the Escrow Agent to the paying agent of the Refunded Bonds to effectuate such redemption. Thereafter, all remaining moneys and securities in the Escrow Fund shall be transferred by the Escrow Agent to the Issuer. The Escrow Agent shall not invest or reinvest any of the funds or securities so transferred.

The notice of redemption shall be substantially the form set forth as <u>Exhibit C</u> hereto.

Section 10. The Escrow Fund created hereby shall be irrevocable and the holders of the Refunded Bonds shall have an express lien on and security interest in all amounts deposited in the Escrow Fund, including all amounts representing principal and all amounts representing interest on the Government Obligations in the Escrow Fund until used and applied in accordance herewith.

### Section 11.

- (a) The Escrow Agent shall be compensated for its reasonable fees, expenses, and disbursements, including legal fees, incurred with respect to services rendered hereunder, based upon itemized invoices submitted to the Issuer for payment. This right to receive compensation notwithstanding, the Escrow Agent acknowledges that it has no claim for any such payment under the Resolution, and that it has no lien on the moneys in the Escrow Fund for any such payment.
- (b) The Escrow Agent may act in reliance upon any signature believed by it to be genuine, and may assume that any person purporting to give any notice

**BAHR - SECTION II** 

or receipt of advice or make any statements in connection with the provisions hereof has been duly authorized to do so.

- (c) The Escrow Agent may act relative hereto in reliance upon advice of nationally recognized bond counsel in reference to any matter connected herewith, and shall not be liable for any mistake of fact or error of judgment, or for any acts or omissions of any kind, unless caused by its willful misconduct or gross negligence.
- (d) The Escrow Agent may resign and be discharged of its duties hereunder provided that: (i) it has given thirty (30) days written notice to the Issuer of such resignation; (ii) the Issuer has appointed a successor to the Escrow Agent hereunder; (iii) the Escrow Agent and the Issuer have received an instrument of acceptance executed by the successor to the Escrow Agent hereunder; and (iv) the Escrow Agent has delivered to its successor hereunder all of the escrowed documents, Government Obligations, moneys and investments held by the Escrow Agent in the Escrow Fund. Such resignation shall take effect only upon the occurrence of all of the events listed in clauses (i) through (iv) above. Upon receipt by the Issuer of the written notice described in clause (i) above, the Issuer shall use its best efforts to obtain a successor to the Escrow Agent hereunder as soon as possible.
- If at any time the Escrow Agent or its legal successor or successors should become unable, through operation of law or otherwise, to act as escrow agent hereunder, or if its property and affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy or for any other reason, a vacancy shall forthwith exist in the office of Escrow Agent hereunder. In such event, the Issuer, by appropriate action, promptly shall appoint an Escrow Agent to fill such vacancy. If no successor Escrow Agent shall have been appointed by the Issuer within sixty (60) days, a successor may be appointed by the owners of a majority in principal amount of the Refunded Bonds then outstanding by an instrument or instruments in writing filed with the Issuer, signed by such owners or by their duly authorized attorneys-in-fact. If, in a proper case, no appointment of a successor Escrow Agent shall be made pursuant to the foregoing provisions of this section within three months after a vacancy shall have occurred, the owner of any Refunded Bond may apply to any court of competent jurisdiction to appoint a successor Escrow Agent. Such court may thereupon, after such notice, if any, as it may deem proper, prescribe and appoint a successor Escrow Agent.

Any successor Escrow Agent shall be a corporation organized and doing business under the laws of the United States or the State of Idaho, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$25,000,000 and subject to the supervision or examination by federal or state authority.

Any successor Escrow Agent shall execute, acknowledge, and deliver to the Issuer and the Escrow Agent an instrument accepting such appointment hereunder, and the

Escrow Agent shall execute and deliver an instrument transferring to such successor Escrow Agent, subject to the terms of this Agreement, all the rights, powers, and trusts of the Escrow Agent hereunder. Upon the request of any such successor Escrow Agent, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Escrow Agent all such rights, powers, and duties.

The obligations assumed by the Escrow Agent pursuant to this Agreement may be transferred by the Escrow Agent to a successor Escrow Agent if: (i) the requirements of this Section 11(e) are satisfied; (ii) the successor Escrow Agent has assumed all the obligations of the Escrow Agent under this Agreement; and (iii) all of the Government Obligations and money held by the Escrow Agent pursuant to this Agreement have been duly transferred to such successor Escrow Agent.

Section 12. The liability of the Escrow Agent to transfer funds for the payment of the principal of and interest on the Refunded Bonds shall be limited to the proceeds of the Government Obligations and the cash balances from time to time on deposit in the Escrow Fund. Notwithstanding any provision contained herein to the contrary, the Escrow Agent shall have no liability whatsoever for the insufficiency of funds from time to time in the Escrow Fund or any failure of the obligors of the Government Obligations to make timely payment thereon, except for the obligation to notify the Issuer promptly of any such occurrence.

The recitals herein and in the proceedings authorizing the Series 2016 Bonds shall be taken as the statements of the Issuer and shall not be considered as made by, or imposing any obligation or liability upon, the Escrow Agent.

The Escrow Agent makes no representations as to the value, conditions, or sufficiency of the Escrow Fund, or any part thereof, or as to the title of the Issuer thereto, or as to the security afforded thereby or hereby, and the Escrow Agent shall not incur any liability or responsibility in respect to any of such matters.

It is the intention of the parties hereto that the Escrow Agent shall never be required to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights and powers hereunder.

The Escrow Agent shall not be liable for any action taken or neglected to be taken by it in good faith in any exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this Agreement, nor shall the Escrow Agent be responsible for the consequences of any error of judgment; and the Escrow Agent shall not be answerable except for its own action, neglect, or default, nor for any loss unless the same shall have been through its negligence or want of good faith.

Unless it is specifically otherwise provided herein, the Escrow Agent has no duty to determine or inquire into the happening or occurrence of any event or contingency or the performance or failure of performance of the Issuer with respect to arrangements or contracts with others, with the Escrow Agent's sole duty hereunder being to safeguard the Escrow Fund, to dispose of and deliver the same in accordance with this Agreement. If,

**BAHR - SECTION II** 

however, the Escrow Agent is called upon by the terms of this Agreement to determine the occurrence of any event or contingency, the Escrow Agent shall be obligated, in making diligence, and in event of error in making such determination the Escrow Agent shall be liable only for its own willful misconduct or its gross negligence. In determining the occurrence of any such event or contingency the Escrow Agent may request from the Issuer or any other person such reasonable additional evidence as the Escrow Agent in its discretion may deem necessary to determine any fact relating to the occurrence of such event or contingency, and in this connection may make inquiries of, and consult with, among others, the Issuer at any time.

Section 13. This Agreement shall terminate when the principal of and interest and redemption premium, if any, on all Refunded Bonds has been paid; provided, that moneys held by the Escrow Agent in the Escrow Fund for the payment and discharge of any of the Refunded Bonds which remain unclaimed for four (4) years after the date when all of the Refunded Bonds shall have become due and payable, either at their stated maturity dates or by call for earlier redemption, shall, at the written request of the Issuer, be repaid by the Escrow Agent to the Issuer as its absolute property and free from the trust created by this Agreement. After the redemption of the final Refunded Bonds on April 1, 2017, any remaining funds shall be remitted to the Issuer by the Escrow Agent. The Escrow Agent shall thereupon be released and discharged with respect thereto and hereto.

Section 14. Except as otherwise provided in Section 7 hereof, this Agreement shall not be repealed, revoked, rescinded, altered, amended, or supplemented in whole or in part without (i) the written consent of the holders of one hundred percent (100%) in principal amount of the unpaid Refunded Bonds at the time such action is made, and (ii) the written consent of the Escrow Agent; provided, however, that the Issuer and the Escrow Agent may, without the consent of, or notice to the holders of the unpaid Refunded Bonds enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders hereunder and shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Agreement; or
- (b) to grant to or confer upon the Escrow Agent for the benefit of the holders of the Refunded Bonds, any additional rights, remedies, powers, or authority that may lawfully be granted to or conferred upon the Escrow Agent.

The Escrow Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section 14, including the extent, if any, to which any change, modification, addition, or elimination affects the rights of such holders of the Refunded Bonds or that any instrument executed hereunder complies with the conditions or provisions of this Section 14.

<u>Section 15.</u> This Agreement may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have each caused this Agreement to be executed by their duly authorized officers and their corporate seals to be hereunto affixed and attested as of the date first above written.

New Issue - Moody's assigns A1 to Idaho State University's Series 2016; outlook stable

### **Summary Rating Rationale**

Moody's Investors Service has assigned an A1 rating to Idaho State University's Series 2016 bonds. The rating favorably incorporates the university's consistently healthy operating performance, solid financial resource coverage of debt and operations, and strong coverage of pledged revenue to debt service. These strengths are countered by softening enrollment, high reliance on government appropriations given historic funding fluctuation and weak state capital support, and limited ability to increase tuition revenue with a challenging student market and the state's emphasis on affordability.

## **Credit Strengths**

- » Strong operating performance, with FY 2015 operating cash flow margin of 17%, providing six times debt service coverage
- » Solid unrestricted monthly liquidity, with 231 monthly days cash on hand compared to a FY 2014 median of 139 days for A1-rated peers
- » Good spendable cash and investment coverage of debt and operations, at 2.6 times and 0.7 times
- » Designation as Idaho's lead institution in health professions and medical education

# **Credit Challenges**

- » Challenging student market and softening enrollment, evidenced by decreasing full-time equivalent enrollment and weakening selectivity and matriculation
- » High reliance on fluctuating government support, at 36% relative to the FY 2014 median for A1-rated peers of 23%
- » Limited state support for capital, leading to high deferred maintenance of estimated \$350 million

#### **Rating Outlook**

The stable outlook reflects expectations of continued strong operating performance and resource growth as well as generally stable enrollment.

### Factors that Could Lead to an Upgrade

- » Extended growth of financial resources
- » Stable to growing enrollment, including improved matriculation
- » Increased philanthropic support and research funding to broaden revenue diversity

### Factors that Could Lead to a Downgrade

- » Weakened student demand resulting in flat to declining net tuition revenue
- » Significant deterioration in operations or reduction in state support without ability to increase other revenue

The current plan of finance will current refund Series 2004B bonds and advance refund Series 2007 bonds to achieve economic savings. The refunding will achieve uniform annual savings on a matched maturity basis.

#### **Detailed Rating Considerations**

#### Market Profile: Stable Position and Slowing Net Tuition Revenue Growth in Competitive Environment

While the university will maintain its stable market position and continue to strengthen its emphasis on health professions and STEM disciplines as Idaho's lead institution in health professions and medical education, the market environment will remain pressured. ISU competes for students with four-year universities in Idaho and surrounding states as well as with community colleges.

The challenging market is evidenced by continued softening in total full-time enrollment, down approximately 6% from a peak of over 11,000 students in fall 2012, and weakened selectivity and matriculation, at 98% and 54%, respectively, for fall 2015. This slowed growth aligns with industry trends, as non-traditional and community college enrollment is countercyclical to the economic environment, increasing as the economy struggles and tightening as job prospects improve. Countering these trends, ISU has successfully increased its non-resident market share of students, jumping from 7% in fall 2010 to a high of 26% in fall 2014 before a decline to a still-solid 19% in fall 2015.

This publication does not announce a credit rating action. For any credit ratings referenced in this publication, please see the ratings tab on the issuer/entity page on www.moodys.com for the most updated credit rating action information and rating history.

While ISU will continue to grow net tuition revenue despite recent volatility in freshmen enrollment and a challenging student market, future growth will be muted given the state's challenging goals of increasing degree achievement while keeping tuition increases low or flat. Net tuition per student increased a solid 8% in FY 2015 and 12% in FY 2014 after slowed performance of 0.3% in FY 2013. Fall 2015's tuition increase of just 3.3% was the lowest in 27 years, and pricing remains competitive with peer institutions.

#### **Operating Performance: Consistent Strong Operating Margins Underpin A1 Rating**

Consistently strong operating performance anchors ISU at the A1 rating and will continue given the university's focus on conservative budgeting and resource growth. Fiscal year 2015's 17% operating cash flow margin was strong relative to the FY 2014 median of 12% for A1-rated peers and provided solid coverage of debt service at 6.2 times.

ISU's implementation of performance-based budgeting beginning in FY 2018 will contribute to positive operating results through expense management, strategic allocation of resources, and aggressive paydown of debt. Half of current debt will be paid off in 2021.

An improved state funding environment will also contribute to solid margins, though increased support for operations remains lower than historic highs. Current state budget proposals for FY 2017 indicate a potential increase in support for Idaho's public schools, including potential increases for higher education well above inflation.

With 80% of revenue from student charges and state support, broadened revenue diversity through increased research funding and philanthropic support, which is not a significant contributor to revenue for ISU, would be credit positive.

#### Wealth and Liquidity: Solid Financial Resource Growth Countered by High Deferred Maintenance

Sustained operating surpluses will continue to build spendable cash and investments, which have grown 64% since FY 2011 to \$149 million for FY 2015. However, financial resource growth is at the expense of investment in plant. ISU estimates that it has over \$350 million in deferred maintenance, and age of plant has climbed to over 15 years in FY 2015 from 13 years in FY 2011. ISU will make modest capital investment of approximately \$20 million in FYs 2016 and 2017, with \$13 million coming from its own resources. State capital support remains weak, contributing just \$7 million over the same period, though a proposed increase may improve capital support.

The university has no plans for additional debt at this time and is focused on growing resources, continued capital investment, and decreasing debt.

#### LIQUIDITY

Liquidity is good for the rating category, with unrestricted monthly liquidity of \$131 million at the end of FY 2015, providing 231 monthly days of cash on hand.

#### **Leverage: Low Debt with Very Strong Covenant Coverage**

ISU has low debt relative to peers, with debt to operating revenue of 0.2 times, compared to 0.7 times for A1-rated peers. The university's leverage position will continue to improve with aggressive debt paydown.

#### **DEBT STRUCTURE**

All rated parity debt is fixed-rate. The unrated variable rate debt, backed by a letter of credit, at ISU's component foundation comprises 11% of total debt. The university has covenanted that pledged revenues available for debt service will equal 110% of annual debt service on a year by year basis. As of FYE 2015, ISU had very generous headroom over this covenant, at 1031%.

#### **DEBT-RELATED DERIVATIVES**

There are no debt-related derivatives.

#### PENSIONS AND OPEB

The university's contributions to a defined contribution retirement plan, a cost-sharing multiple-employer defined benefit pension plan, and a post-retirement health benefit plan (OPEB) remain manageable within the scope of its operations (combined 5% of total expenses in FY 2015), but are expected to continue to grow in the next few years.

From a balance sheet perspective, ISU's three-year Moody's Adjusted Net Pension Liability is substantial at \$62 million (FYs 2013 - 2015), but manageable given the university's resource growth, declining debt levels and a fairly strong adjusted funded ratio of

**TAB 8 Page 133** 

69%. For FY 2015, the university also had a small OPEB liability of \$8.3 million. The post-retirement health benefit plan is closed to employees hired after June 30, 2009, limiting the long-term growth of this obligation.

#### Governance and Management: Prudent Fiscal and Operational Management Yield Consistent Solid Performance

ISU demonstrates conservative budgeting and operational management, which will continue to yield solid operating performance. Leadership is proactive in supporting student needs resulting from economic and cultural changes, such as addressing cultural shifts resulting from increased international enrollment and financial pressures facing upperclassmen.

### **Legal Security**

The Series 2004A, 2004B, 2004C, 2006, 2007, 2012, 2013 and anticipated 2016 bonds (which will refund the 2004B bonds and the Series 2007 bonds with maturities beyond 2017) are secured by pledged revenues, comprised of tuition and student facilities fees (totaling \$56.8 million in FY 2015) as well as revenues of the student housing system (\$6.3 million in FY 2015) and lease payments from the Center for Advanced Energy Studies (CAES) at the Idaho Falls location (\$0.85 million in FY 2015).

#### **Use of Proceeds**

Proceeds will be used to refund the Series 2004B bonds and Series 2007 bonds with maturities beyond 2017 and to pay costs of issuance.

#### **Obligor Profile**

Idaho State University is a public teaching institution with approximately 10,500 full-time equivalent students in fall 2015 and operating revenue of \$248 million for FY 2015. The main campus is located in Pocatello, Idaho, with additional locations in Meridian, Idaho Falls, and Twin Falls. The university is Idaho's designated lead institution in health professions and medical education.

Proposed Summer Session Fee Discount

#### BACKGROUND/DISCUSSION

For the 2016 Summer Session, Lewis-Clark State College (LCSC) plans to propose a discount for Summer Session fees of up to 25% of the per credit rate which was approved by the Board in April, 2015. The proposed discount will reduce the approved per credit cost from \$307 to approximately \$230 per credit. Through the LCSC program prioritization process, Summer Session was identified as a program in need of significant restructuring. It is the intent of LCSC to offer an expanded and focused Summer Session that allows students the opportunity to meet graduation requirements and promote on time or accelerated degree completion. Historically, the institution has experienced summer session activity between 1800 and 1900 credit hours. As a result of the planned changes which would be made in summer course offerings and a reduced credit hour price, the College anticipates enrollment levels to 2400-2500 credit hours.

Benefits of the Summer Session proposal:

- provides an incentive for students to attend a summer session class at a lower cost alternative to the traditional (fall and spring semester) sessions;
- allows participating students to accelerate required credit attainment toward degree completion; and
- makes better use of College facilities during the summer months that have historically been times of low activity on campus.

A formal proposal for Board approval will be brought to the April 2016 Board meeting.

#### **IMPACT**

The impact of this proposal will be to increase student participation in Summer School offerings. This will provide for more activity on campus and, if successful, generate additional student credit hours necessary to meet the variable costs of

operating the program in addition to contributing to the fixed costs the College now has with under-used facilities.

#### STAFF COMMENTS AND RECOMMENDATIONS

This initiative emerged from ongoing BAHR Committee and Financial Vice President discussions on possible new approaches to program and course pricing which might lead to improved student access, pipeline output/efficiency, and marketability of academic program offerings. The proposed discounted pricing trial, if successful, might later be adopted more widely by LCSC or by other institutions. This item serves as an early notification of the formal summer session discounted fee request which is expected to be presented to the Board at the April fee setting session.
